BOOST↑CHARGE™

Magnetic Wireless Car Charger

This wireless car charger is designed to leverage the MagSafe technology in the iPhone 13 series devices. Quickly charge your iPhone 13 in the car with up to 10W of power, so you'll always arrive with a charge. You can enjoy the convenience of one-handed placement and perfect magnetic alignment every time. View your screen in portrait to set the playlist and flip to landscape mode for GPS, all without interrupting your charge.
