

Parts List

Stand (not shown)
Plate mounting screws x2
Stand pillar x1
Pillar screws x2
TV mounting screws x4

Attaching TV Stands

Attach the mounting plate to the TV stand pillar.

1

Thanks to the offset pins, the mounting plate will only fit the correct way.

2

Fix the mounting plate using the silver screws.

3

Take the TV stand.

4

Fix the TV stand pillar into place on the TV stand.

5

Turn the assembled parts upside down.

6

Fix the stand mounting plate using the two large black screws.

7

Make sure the TV stand assembly is firmly fixed together.

8

Turn the TV stand assembly upside down.

9

Insert the remaining four screws into place and screw the assembly into the TV.

10
