# Highlights

### Retractable ceiling fan with transparent blades
Say goodbye to spinning shadows on the ceiling: this fan has transparent blades that can be folded into the light and out of sight when not in use.

### Easy to install, safe to use
The Philips LED retractable ceiling fan light has passed strict safety testing and includes drop-resistant screws and a sturdy design alongside other important safety features.

### Powerful, reliable performance
The Philips LED ceiling fan light is designed to ensure powerful air circulation and continued reliability over time. Its wide blade design allows a large coverage of air volume to ensure maximum airflow for cooling.

### Get year-round use
With operation modes for both summer and winter, you'll get the best settings to circulate the air in your space all year round.

### Enjoy a comfortable breeze
Bring an island breeze to any room of your house with the Natural Breeze function, which offers dynamic speed settings for the fan.

### Convenient timers
Choose from two different timers that turn off your light after a certain amount of time – and set them with the remote control.

### Bright yet comfortable ceiling light
The Philips LED ceiling fan light offers powerfully bright – yet comfortable – light for your home, which you can control with the included remote control or a wall switch.

### Quiet motor
The Philips LED ceiling fan light offers a quiet motor, circulating the air in the room without loud noise.
