Getting to know your Echo Show 8

Also included: Power adapter

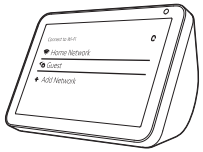

1. Plug in your Echo Show 8

Plug your Echo Show 8 into an outlet using the included power adapter. In about a minute, the display will turn on and Alexa will greet you.

2. Set up your Echo Show 8

Follow the on-screen instruction to set up your Echo Show 8. During setup, you will connect your Echo Show 8 to the internet so you can access Amazon services. Please make sure you have your Wi-Fi password.

For help and troubleshooting, go to Help & Feedback in the Alexa app or visit www.amazon.com/devicesupport.

3. Getting started with your Echo Show 8

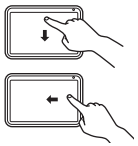

Interacting with your Echo Show 8

- To power your Echo Show 8 on and off, press and hold the mic/camera button.
- To turn off the microphones and camera, press and release the mic/camera button. The LED will turn red.
- To cover the camera, slide the built-in shutter.
- You can use your Echo Show 8 via voice commands or using the touchscreen.

To change your settings

To access Settings, swipe down from the top of the screen, or say, "Alexa, show Settings."

To access your shortcuts, swipe left from the right side of the screen.

Some features may require customization in the Alexa app, a separate subscription, or an additional compatible smart home device.

For more examples, select Things to Try from the Alexa app menu, or visit amazon.com/askAlexa.

Using the Amazon Alexa app

The Alexa app helps you get more out of your Echo Show 8. It's where you see an overview of your requests and manage your contacts, lists, news, music, and settings.

Download and install the latest version of the app from the app store.

Designed to protect your privacy

Amazon designs Alexa and Echo devices with multiple layers of privacy protection. From microphone and camera controls to the ability to view and delete your voice recordings, you have transparency and control over your Alexa experience. To learn more about how Amazon protects your privacy, visit amazon.com/alexaprivacy.

Give us your feedback

Alexa will improve over time, with new features and ways to get things done. We want to hear about your experiences. Use the Alexa app to send us feedback or visit www.amazon.com/devicesupport.
