[^] Only available on selected channels.

Program Guide

You can check program schedules[^] for the next seven days.

- Press **Home** on any NOW TV channels
- Select "All Channels" under "Guide"
- Press **Home** to enter EPG

[^] Program schedules are subject to change without prior notice.

Program Search

TV programs^{*} will be recommended, according to your preferences, from a quick and simple search.

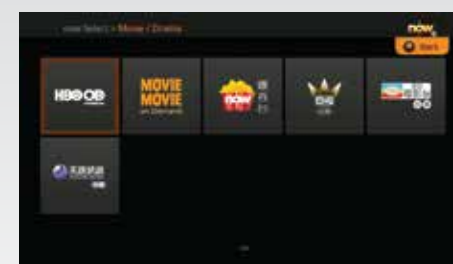

- Press **Home** on any NOW TV channels
- Select "Program Search" under "Guide"
- Press **Home** to enter searching engine
- Program search by selecting:
 - Category (Single selection)
 - Genre & Date (Multiple selections)
- Press **Search** to start searching

^{*} Only applicable to NOW TV channels' programs, but excluding TVB Pay Vision programs.

NOW Select

This on-demand service enables you to watch your favorite programs anytime you like, such as MOOV Concert • MV for music trendsetters, HBO on Demand & SCM choice for movie lovers and Watch n Learn for kids.

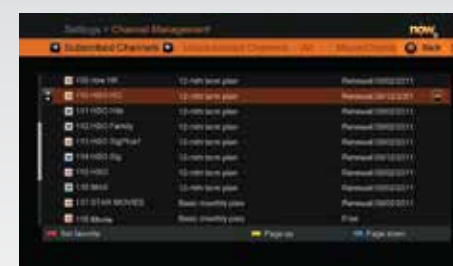

- Press **Home** on any NOW TV channels
- Select "NOW Select" from menu bar and choose your favorite genre via the **Genre** or **Genre** navigation buttons
- Press **Genre** to enter the genre page

Press **Genre** to select another genre

Set Favorite Channel*

Once the channel is set as your favorite channel, you can switch between your favorite channels by using **Channel** or **Channel** under the mini-guide.

- Press **Home** on any NOW TV channels and choose "Channel Management" under Settings. Use **Channel** or **Channel** to select a channel, then press **Channel** to confirm.
- Choose "Channel-browsing mode" under Settings and press **Channel** to select "Favorite Channels Mode".
- Press **Channel** / **Channel** to go back to TV channel. Then press **Channel** to enter the mini-guide and use **Channel** or **Channel** for favorite channel browsing.

^{*} Only applicable to NOW TV channels.

Settings

You can access billing inquiry or configure preferred service settings such as Language, Change PIN and Parental Lock.

- Press **Home** on any NOW TV channels
- Select "Settings" from the menu bar and choose one of the settings via the **Settings** or **Settings** navigation buttons
- Press **Settings** to access the function

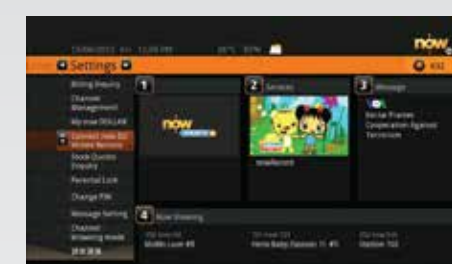

You can select the following functions under "Settings"

- "Billing Inquiry" – Check your last 3 NOW TV monthly bills
- "Channel Management" – Check subscribed channels and renewal date
- Activate "Parental Lock" – prevent children accessing programs that are restricted to adults

Mobile Remote

It only takes a few simple steps for you to enjoy full control over your NOW TV decoder through your smartphone!

- Download NOW TV Program Guide App from App Store or Google Play.
- Press **Home** on any NOW TV channels
- Select "Setting" and choose NOW ID / Mobile Remote then press **Mobile Remote**
- Press **Mobile Remote** to choose "Mobile Remote" and press **Mobile Remote** to get a connection code
- Enter the Connection Code at "Remote" category in the app to complete the process.

Black screen/80061B	<ol style="list-style-type: none"> Switch off the modem and decoder Check all cables Switch on modem 15 seconds later; and wait for LED signal to become stable (around 2-3 minutes) Restart the decoder
Frozen screen/80062A-H	<ol style="list-style-type: none"> Switch off the modem and decoder Switch on modem 15 seconds later; and wait for LED signal to become stable (around 2-3 minutes) Restart the decoder
80061A	<ol style="list-style-type: none"> Check all cables Press the Power On/Off button on the decoder box to restart

FAQ

1. What is the activation key?

This consists of the first 4 digits of your HKID/passport number, and is used for first-time service activation. You only need to input the activation key once.

2. Can I make continued attempts to enter my PIN after a few failures? Will the menu functions be disabled?

The menu functions will not be disabled. We highly recommend that you call NOW TV Customer Service Hotline 1833 888 to reset the PIN.

3. How can I check my bill?

- You can check your bill by:
- Accessing <Billing Inquiry> under Settings;
 - Calling our NOW TV Customer Service Hotline 1833 888;
 - Visiting <http://nowtv.now.com> (only applicable for NETVIGATOR customers)

4. What should I do if my remote control does not work properly?

- Please check if you are aiming the remote control at the decoder's signal receiver.
- Please check if the remote control contains new batteries.
- Please turn off the decoder and reboot after 15 seconds.
- If the problem persists, please call NOW TV Customer Service Hotline 1833 888 for assistance.
