FCV 3, 1.056-122.0, 2026-03-01

* The Kärcher vacuum mops can halve your cleaning time, since common household dirt can be removed from floors in a single step, doing away with the need to vacuum before mopping. ** Based on tests by an independent test laboratory. *** The Advanced!Power mode removes even the most stubborn dried-on dirt with 60 percent more suction power and 20 percent higher water volume compared with standard mode.

3-in-1 Xtra!Clean function: mopping, vacuuming and drying

- Halves the cleaning time* and guarantees perfect cleanliness! Thanks to the integrated suction function that removes the need to vacuum beforehand.
- Three cleaning modes to cover every type of dirt – even the most stubborn dirt and the biggest spillages are no problem.
- Adapts to different floors for effective and thorough cleaning right up to the edge – even on carpets and rugs in dry mode.

Effective Hygienic!Spin technology

- Proven to remove 99%** of all bacteria for a hygienic and clean home.
- Roller rotates at up to 500 revolutions per minute for flawless mopping results.
- Clever two-tank system for a constant supply of fresh water kept separate from the dirty water.

Ultra-powerful Advanced!Power mode

- Removes even the most stubborn dried-on dirt with 60% higher suction power and 20% higher water distribution than standard mode.
- Floors are dry in next to no time so they can be walked on straight away.
