Issue 1 - 02/05/18

Safety and Care Advice

Important - Please read these instructions fully before starting assembly

• Check you have all the components and tools listed on the following pages.

• Remove all fittings from the plastic bags and separate them into their groups.

• Keep children and animals away from the work area, small parts could choke if swallowed.

• Make sure you have enough space to layout the parts before starting.

• During assembly do not stand or put weight on the product, this could cause damage.

• Assemble the item as close to its final position (in the same room) as possible.

• Assemble on a soft level surface to avoid damaging the unit or your floor.

• Parts of the assembly will be easier with 2 people.

• We do not recommend the use of power drill/drivers ***for inserting screws***, as this could damage the unit. Only use hand screwdrivers.

• Unit weight: 24 kgs.

Care and maintenance

• Only clean using a damp cloth and mild detergent, do no use bleach or abrasive cleaners.

• From time to time check that there are no loose screws on this unit.

• Do not stand on the product.

• Always lift the product when moving it around. Never drag.

• Please note wood is a natural material, some slightly colour and grain variation and natural marks will be present.

• This product should not be discarded with household waste. Take to your local authority waste disposal centre.

Handy Hints

• Assemble all parts and bolts loosely during assembly, only once the product is complete should you fully tighten the bolts.

• Regularly check and ensure that all bolts and fittings are tightened properly.

Glass Safety

• Keep these instruction for future reference.

• Imported by: Argos Ltd. 489-499 Avebury Boulevard, Saxon Gate West, Central Milton Keynes, MK9 2NW

• If glass is chipped or broken, stop using the product and consult the manufacturer or supplier.

• Batch No:

• Date of manufacture:

• Type of glass used: 8mm toughened glass.

Warnings:

(a) Do not place very hot or very cold items on the glass surface(s) unless adequately thick table mats are used to prevent such items from coming into contact with the glass.

(b) Do not sit or stand upon glass surface(s).

(c) Do not use the glass as a chopping surface. Do not strike the glass with hard or pointed items.

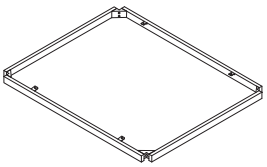

(d) When cleaning glass panels use a damp cloth or leather with washing up liquid or soft soap if necessary, do not use washing powders or any other substance containing abrasives since these substances scratch glass.

(e) In exceptional circumstances a scratched surface or damaged edge may cause the glass to break unexpectedly. The glass in this product is designed to break into small fragments rather than large/sharp pieces. Avoid impacts on the side or edges of the glass, as this is where the glass is most vulnerable.

Components - Parts

If you have damaged or missing components, call the **Customer Helpline: Argos = 0345 640 0800**

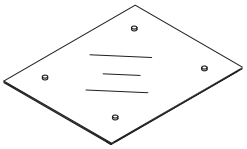

Please check you have all the parts listed below

1 Table frame
(118.5 x 78.5 x 4cm)

Please check you have all the fittings listed below

Note: The quantities below are the correct amount to complete the assembly. In some cases more fittings may be supplied than are required.

A  M8 x 45mm Bolt x 8	**B**  M6 x 8mm Bolt x 4	**C**  Flat washer x 8
D  Spring washer x 8	**E**  Allen Key x 1	**F**  Adhesive pad x 4

Ruler - Use this ruler to help correctly identify the screws

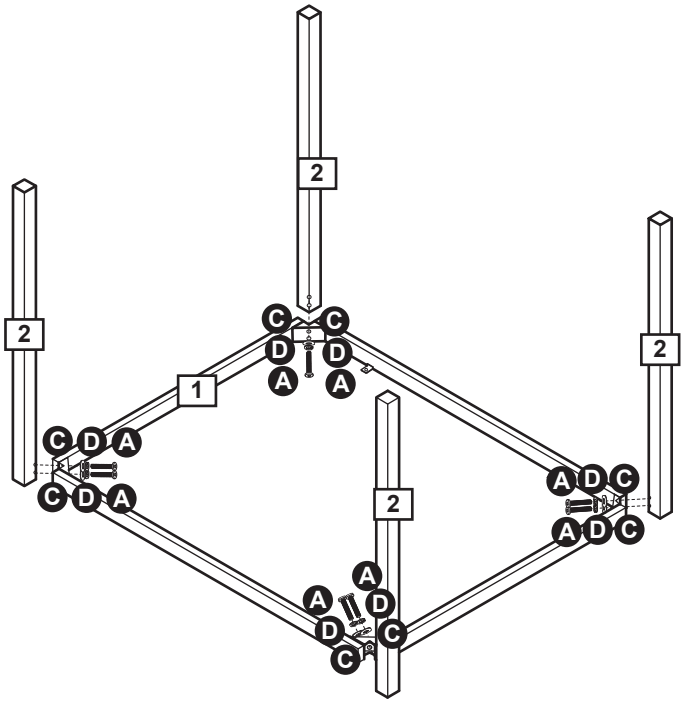

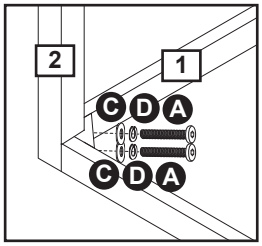

Assembly Instructions

Step 1

Place the table frame [1] upside down on a flat protected surface.

Attach the legs [2] onto the table frame [1] as shown using bolts Ⓐ, spring washers Ⓓ and flat washers Ⓒ. Tighten bolts using allen key Ⓔ.

Step 2

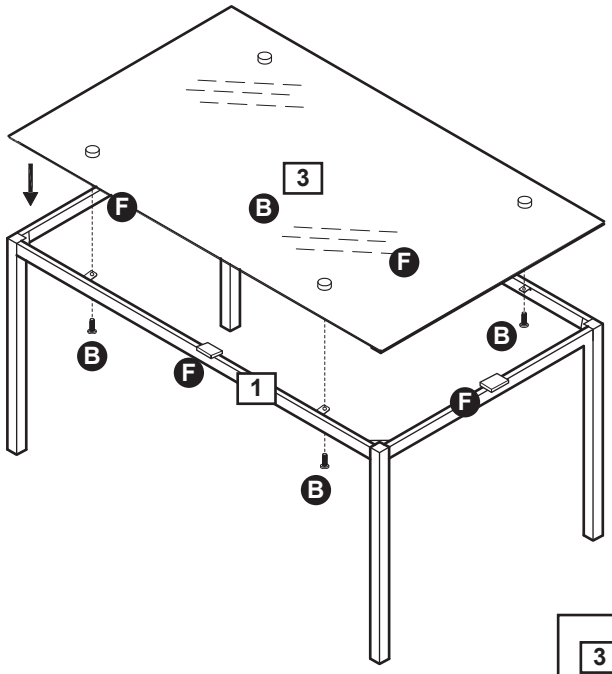

Carefully turn the table frame upright.

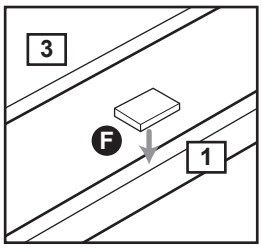

Remove backing from adhesive pads Ⓕ and carefully paste on the table frame [1] as shown.

Then attach the glass top [3] panel using bolts Ⓑ. Tighten bolts using allen key Ⓔ.

Note:
Take extra care when handling and securing the glass table top. At least 2 people required are required to carry the glass top.

Assembly is complete.
