⚠ Safety and Care Advice

Black: **313/9411**
White: **225/8001**

W = 196.5cm
D = 97cm
H = 160cm

IMPORTANT,RETAIN FOR FUTURE REFERENCE: READ CAREFULLY.

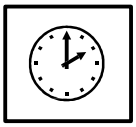

- The recommended mattress size is 900mm x 1900mm.
- Maximum mattress height of 200mm to be used.
- WARNING! Do not place this child's bed near heat sources, windows and other furniture.
- WARNING! Do not use this child's bed if any part is broken, torn or missing.
- WARNING! Not suitable for children under 6 years old.
- WARNING! Children are likely to play, bounce, jump and climb on beds, therefore the child's bed should not be placed too close to other furniture or windows, blinds or cords, curtain pulls or other strings or cords and should be placed either tight to any wall or have a gap of 300mm between the wall and the side of the bed.
- This unit is not designed to be dismantled for storage or transportation.

- Keep children and animals away from the work area, small parts could choke if swallowed.
- Make sure you have enough space to layout the parts before starting.
- This product has been constructed to be used in the domestic environment only and not for commercial purposes.

- Assemble the item as close to its final position (in the same room) as possible.
- Assemble on a soft level surface to avoid damaging the unit or your floor.
- Dispose of all packaging carefully and responsibly.

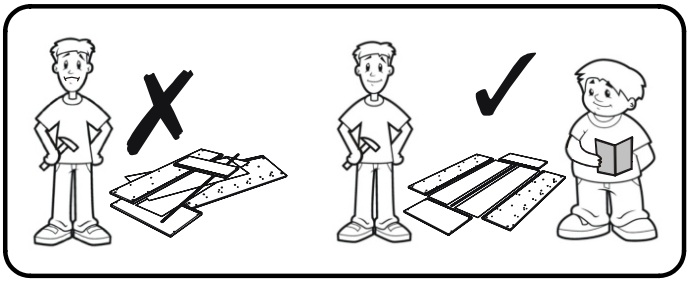

- We do not recommend the use of power drill/ drivers for inserting screws as this could damage the unit. Only use hand screwdrivers.
- Parts of the assembly will be easier with 2 people.

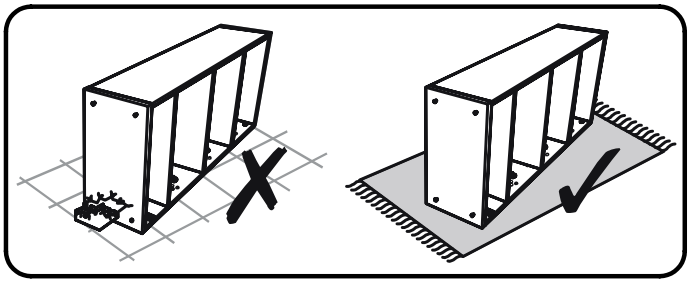

Approximately 2 hours

2 People Required

Care and maintenance

• Only clean using a damp cloth and mild detergent. Do not use abrasive cleaners.

• Use a dry cloth to clean the product, furniture polish is not recommended.

• From time to time check that there are no loose screws, nuts or bolts, if there are please re-tighten.

• This product should not be discarded with household waste. Take to your local authority waste disposal centre.

Additional Guidance

• Assemble all parts and bolts loosely during assembly, only once the product is complete should you fully tighten the bolts.

• Regularly check and ensure that all bolts and fittings are tightened properly.

• Age recommendation 6+ years

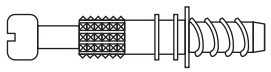

• Maximum user weight 110kg

• This product is compliant BS EN 747-1 : 2012 + A1 : 2015 & BS EN 747-2 : 2012 + A1 : 2015
