Instructions for use

Please follow the instructions, to avoid some potential damage.

IMPORTANT:

Read this manual carefully before assembling and using.

For outdoor use only.

Not for commercial use.

Keep this manual for future reference.

Safety Instructions

Improper assemble, installation, adjustment, alteration, service or maintenance can cause injury or property damage.

Do not store or use petrol or other flammable vapor or liquids in the vicinity. Be careful, accessible parts may be very hot. Keep away from young children and pets.

Use your fire-pit at least 3 feet away from any wall or surface.

Do not move the fire pit when in operation

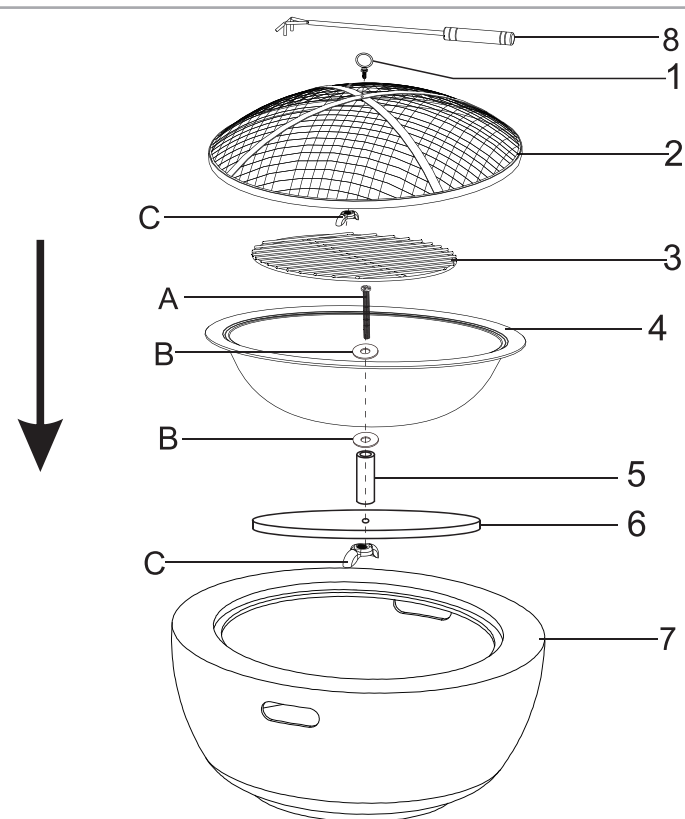

Do not move the fire pit during use after until the temperature has cooled down

Do not use spirit or petrol for igniting or re-igniting! Only use firelighters in accordance with EN 1860-3!

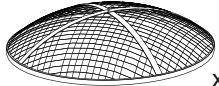

Notice!

- Build a pyramid from small pieces of wood.
- Put the dry lighter in the pyramid.
- Connect the dry lighter.
- When the small pieces of wood are well burned, you can add somewhat larger pieces of wood.
- Fill the fire bowl as much as possible so that you can use the spark protection grille without problems.
- To put out the fire, use sand or let it burn out. Do not use water as this can damage the item.
- Do not inhale the smoke or allow it to get into your eyes.
- The metal surface can be slightly discolored through use.
