REVOLUTION UNLIMITED PRO CONTROLLER MODES

Jump straight into the action in PS4™ Mode, or take your play further with fully customisable profiles in Advanced Mode

01. PS4™ Mode

- Plug & Play functionality with integrated DUALSHOCK®4 controls**
- Enhanced dual stick control with 46° amplitude
- Manually customise the 4x shortcuts buttons

02. PS4™ Advanced Mode

- Instantly switch between 4x pre-loaded custom profiles to suit a range of games
- Modify or replace those profiles with 4x of your own (via the upgraded PC/Mac companion app*):
 - Adjust the response curve of each stick
 - Reverse Y-axis of your sticks
 - Reverse your left and right sticks
 - Adjust the sensitivity and dead-band of each trigger
 - Independently adjust the vibration intensity on the left and right hand grips
 - Change the right stick light for a custom look

03. PC Advanced Mode***

- PC Compatible

* Windows® 7/8/10 PC or Mac and Internet connection required, registration required to download the software.

** Light bar and speaker not included or available.

*** PC Advanced Mode not tested nor endorsed by Sony Interactive Entertainment Europe.
