## Safety information

**Important** - Please read these instructions fully before installing or operating

Warning: To reduce the risk of electric shock, do not remove the cover or back. There are no user-serviceable parts inside. Refer servicing to qualified personnel.

Warning: To prevent fire or electric shock hazard, do not expose the unit to rain or moisture.

Do not expose the Adaptor and portable DVD to water (dripping or splashing) and no objects filled with liquids, such as vases, should be placed on the unit.

Keep the portable DVD away from direct sunlight and heat source such as radiators or stoves.

Do not block the ventilation openings. Slots and openings on the unit are provided for ventilation. The openings should never be blocked by placing your portable DVD on a cushion, sofa or other similar surface.

Do not place the portable DVD on unstable cart, stand, tripod, bracket or table. The unit may fall, resulting in possible damage or injury.

Never place heavy or sharp objects on the LCD panel or frame.

Only use the AC adaptor included with portable DVD. Using any other adaptor will void your warranty.

The plug of AC adaptor is used as the disconnect device, the disconnect device shall remain readily operable.

Unplug the power from the outlet when the unit is not in use.

Attention should be drawn to the environmental aspects of battery disposal.

**CAUTION:** Danger of explosion if battery is incorrectly replaced. Replace only with the same or equivalent type.

**WARNING:** The battery (battery or batteries or battery pack) shall not be exposed to excessive heat such as sunshine, fire or the like.

**WARNING:** Excessive sound pressure from earphones or headphones can cause hearing loss.

If you require any technical guidance or find that your product is not operating as intended, a simple solution can often be found in the **Troubleshooting**

# Safety information

**Important** - Please read these instructions fully before installing or operating
