Tips to check before you start.

1. Please check that all parts are present before you start the assembly of your furniture.
2. For ease and speed of assembly, we recommend that before you commence each step of the assembly you identify all the parts required for that step.
3. Please ensure that you have sufficient space and people (as indicated above) to assemble your dining set safely.
4. We recommend that, where possible, all items are assembled near to the area in which they will be placed in use, to avoid moving the product unnecessarily once assembled.
5. For the protection of your dining set, we recommend that the product is placed on a protected surface during assembly to prevent any damage.
6. During assembly please take care not to over-tighten any fittings, as this may damage the product.
7. Use the glue sparingly; it does not require much glue per joint, wipe off any excess with a damp cloth immediately.

Care and Maintenance of your Furniture

- Please periodically check all fittings and re-tighten as necessary.
- To clean your item, please use a damp cloth and wipe clean.
  Never allow any kind of liquid to remain on your furniture .Absorption can cause wood to warp.
- Please do not place hot items (e.g. hot drinks) directly on to the wood surface.
- Please do not drag and pull your furniture.
- Do not stand on this furniture.
