3. For larger items, please ensure that you have sufficient space and people (as indicated on page 1) to assemble your product safely.

4. We recommend that, where possible, all items are assembled near to the area in which they will be placed in use, to avoid moving the product unnecessarily once assembled.

5. For the protection of your furniture, particularly items of high gloss finish, we recommend that the product is placed on a protected surface during assembly to prevent any damage.

6. During assembly please take care not to over-tighten any fittings, as this may damage the product.
