**Top Tips before you start!**
**Care and Maintenance of your Furniture.**

1. Please check that all parts are present before you start the assembly of your furniture. as once assembled, the furniture is exempt from our home approval policy.

2. For ease and speed of assembly, we recommend that before you commence each step of the assembly, that you identify all parts required for that step.

3. For larger items, please ensure that you have sufficient space and people (as indicated on page 1) to assemble your product safely.

4. We recommend that, where possible, all items are assembled near to the area in which they will be placed in use, to avoid moving the product unnecessarily once assembled.

5. For the protections of you furniture, particularly items of high gloss finish, we recommend that the product is placed on a protected surface during assembly to prevent any damage.

6. During assembly please take care not to over-tighten any fitting is may damage the product.

**General for Mirrors.**

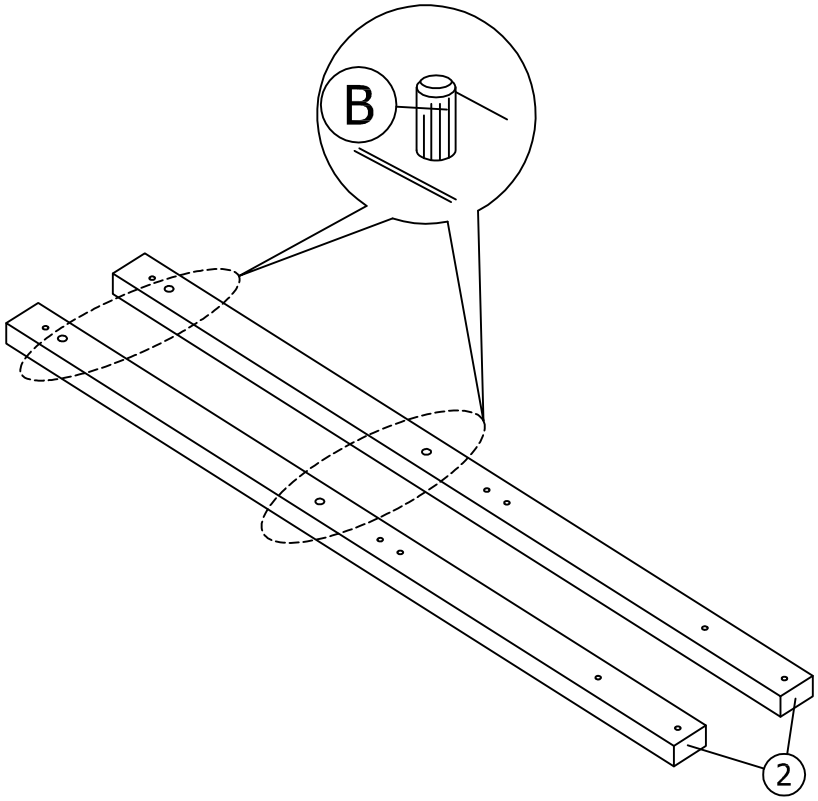

- Please periodically check all fittings and re-tighten as necessary.
- To clean your frame, please use a damp cloth and wipe clean.
- To clean your mirror, use any quality proprietary glass cleaner.
- If the glass is chipped or broken, stop using the product and consult the manufacturer or supplier.
- Do not strike the glass with hard or pointed items.
- The mirror glass fulfills the requirements of BS EN 12150 - 1 : 2005 Clause 8 fragmentation test.
