# Safety and Care Advice

## Important - Please read these instructions fully before starting assembly

- Check you have all the components and tools listed on pages 2.
- Do not stand or put weight on the product; this could cause damage.
- Remove all fittings from the plastic bags and separate them into their groups.
- Assemble the item as close to its final position (in the same room) as possible.
- Keep children and animals away from the work area; small parts could choke if swallowed.
- Assemble on a soft level surface to avoid damaging the unit or your floor.
- Make sure you have enough space to layout the parts before starting.
- Parts of the assembly will be easier with 2 people.
- Do not tighten all bolts until bed is fully assembled.

• We do not recommend the use of power drill/drivers for **inserting screws** as this could damage the unit. Only use hand screwdrivers.

• Dispose of all packaging carefully and responsibly.

## Care and maintenance

- Only clean using a damp cloth and mild detergent; do not use bleach or abrasive cleaners.
- From time to time check that there are no loose bolts on this unit.
- This product should not be discarded with household waste. Take to your local authority waste disposal centre.
