Safety and Care Advice

Important - Please read these instructions fully before starting assembly

- We suggest you speed a short time reading through this leaflet and follow the simple step by step assembly instructions.
- Do not discard any of the packaging until you have checked that you have all the parts and the pack of fittings.
- Assemble this product on a flat surface.
- Assemble all parts loosely before tightening any bolts.
- Discard all extra fittings and keep fittings out of reach of children.
- Unit weight: 5kgs.
- Retain Assembly Instructions for future reference.
- We do not recommend the use of power drill/drivers for inserting screws as this could damage the unit. Only use hand screwdrivers.
- Dispose of all packaging carefully and responsibly.

Inserting screws

Warnings

- This product should only be used on firm, level ground.
- Do not use any abrasive materials when cleaning.
- From time to time check that there are no loose bolts on this unit.

Care and maintenance

- Please clean the table surface using either damp (not wet) cloth and a mild domestic soap solution or by using a appropriate polish.
- Do not use any abrasive materials when cleaning.
- From time to time check that there are no loose bolts on this unit.
