# Diagonal Robe

SCHREIBER

**Assembly Instructions -** Please keep for future reference | 890277

Minimum ceiling height required to assemble this unit 2,30 mtl. ( 7 ½' )

## Dimensions

Width - 96,2cm

Depth - 59cm

Height - 210cm

**Important -** Please read these instructions fully before starting assembly

Ref. no HB 03.08 Date: 27/05/11

# Safety and care advice

**Important** – Please read these instructions fully before starting assembly

• Check you have all the components and tools listed on pages 2 and 3.

• Remove all fittings from the plastic bags and separate them into their groups.

• Keep children and animals away from the work area, small parts could choke if swallowed.

• Make sure you have enough space to layout the parts before starting.

• Do not stand or put weight on the panels, this could cause damage.

• Assemble the unit as close to its final position (in the same room) as possible.

• Assemble on a soft level surface to avoid damaging the unit or your floor.

• ***Note:*** Only apply the glue once you are sure of the assembly.

• The wall plugs supplied are suitable for solid walls only.

It is important that the correct type of fixing is used for your wall, seek professional advice if in doubt.

• Parts of the assembly will be easier with 2 people.

• If using power tools, please follow the safety instructions supplied with the tools.

• We do not recommend the use of power drill/ drivers for inserting screws, as this could damage the unit. Only use hand screwdrivers.

• ***Warning:*** Before drilling, check the wall for hidden pipes and cables.

• Dispose of all packaging carefully and responsibly.

• ***Warning:*** The unit weighs approximately 95kgs.
**Please lift with care.**

## Glue safety - Take care when using glue, please follow the advice below

**Skin contact:** Remove contamination by washing with soap and water. This procedure should also be followed prior to eating and drinking.

**Eye contact:** Rinse immediately with clean water for 15 minutes and seek medical advice.

**If swallowed:** Seek medical advice immediately. If possible show product information or label to the medical advisor.

## Care and maintenance

• Only clean using a damp cloth and mild detergent, do no use bleach or abrasive cleaners.

• From time to time check that there are no loose screws on this unit.

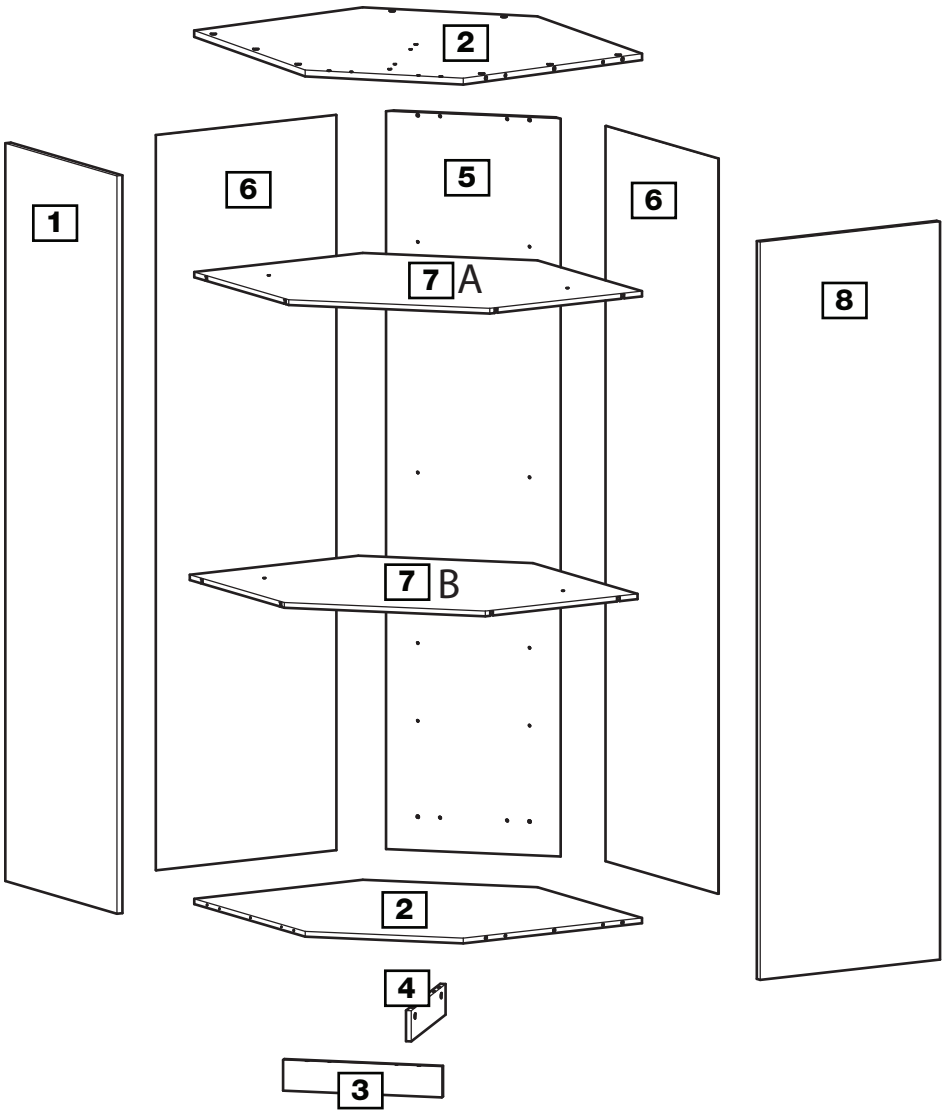

• This product should not be discarded with household waste. Take to your local authority waste disposal centre.

***Note:*** if required the next page can be cut out and used as reference throughout the assembly. Keep this page with these instructions for future reference.

# Components - Panels

Please check you have all the panels listed below

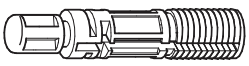

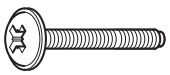

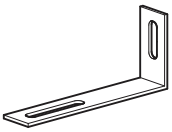

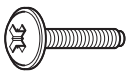

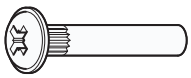

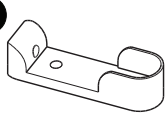

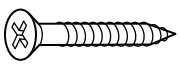

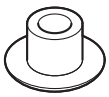

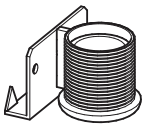

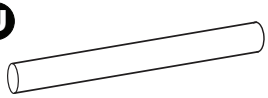

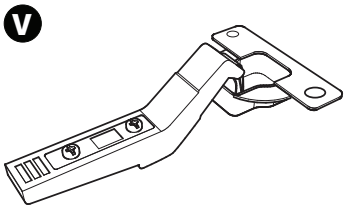

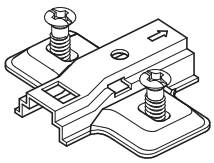

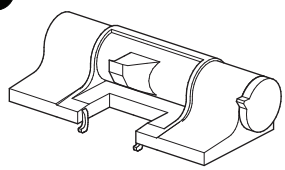

1) Left end panel x1
2) Top/Bottom Panels x2
3) Integral plinth x1
4) Rear base support rail x1
5) Back x1
6) Back Panels x2
7) Shelf x2
8) Right end panel x1

# Components - Fittings

## Please check you have all the fittings listed below

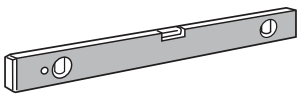

***Note:*** The quantities below are the correct amount to complete the assembly. In some cases more -ttings may be supplied than are required.

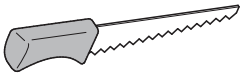

| | | | |
|---|---|---|---|
| **A**  Wooden dowel x 16 | **B**  Metal dowel x 20 | **C**  15mm Screw x 14 | **D**  30mm Screw x 8 |
| **E**  Long locking nut x 20 | **F**  6MAx30 Screw x2 | **G**  x 20 | **H**  25mm Nail x 40 |
| **I**  x 2 | **J**  4MAx15 Screw x4 | **K**  27mm x4 | **L**  Spacer x2 |
| **M**  Hanger rail support x 2 | **N**  x 2 | **O**  x 12 | **P**  x 12 |
| **Q**  x 1 | **R**  25mm Screw x 4 | **S**  x 14 | **T**  x 6 |
| **U**  hanging rail x 1 | | | **W**  15mm Nail x 20 |
| **V**  clip hinge x 4 | **C**  15mm Screw x 8 | **X**  hinge mounting plate x 4 | **Y**  Soft close x 2 |

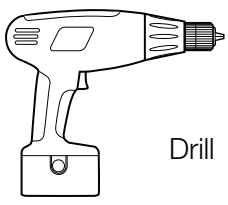

## Tools required

Phillips screwdriver (medium & large)

Flatblade screwdriver (medium)

Spirit level

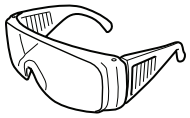

Drill

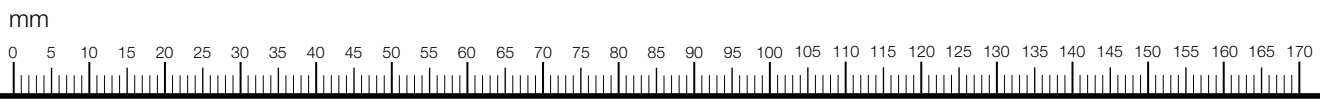

Ø 5mm Suitable drill bit (for use with wall plug)

Small hammer

Ruler/tape measure

Eye protection (when using a hammer or glue)

## Ruler - Use this ruler to help correctly identify the screws

# Assembly Instructions

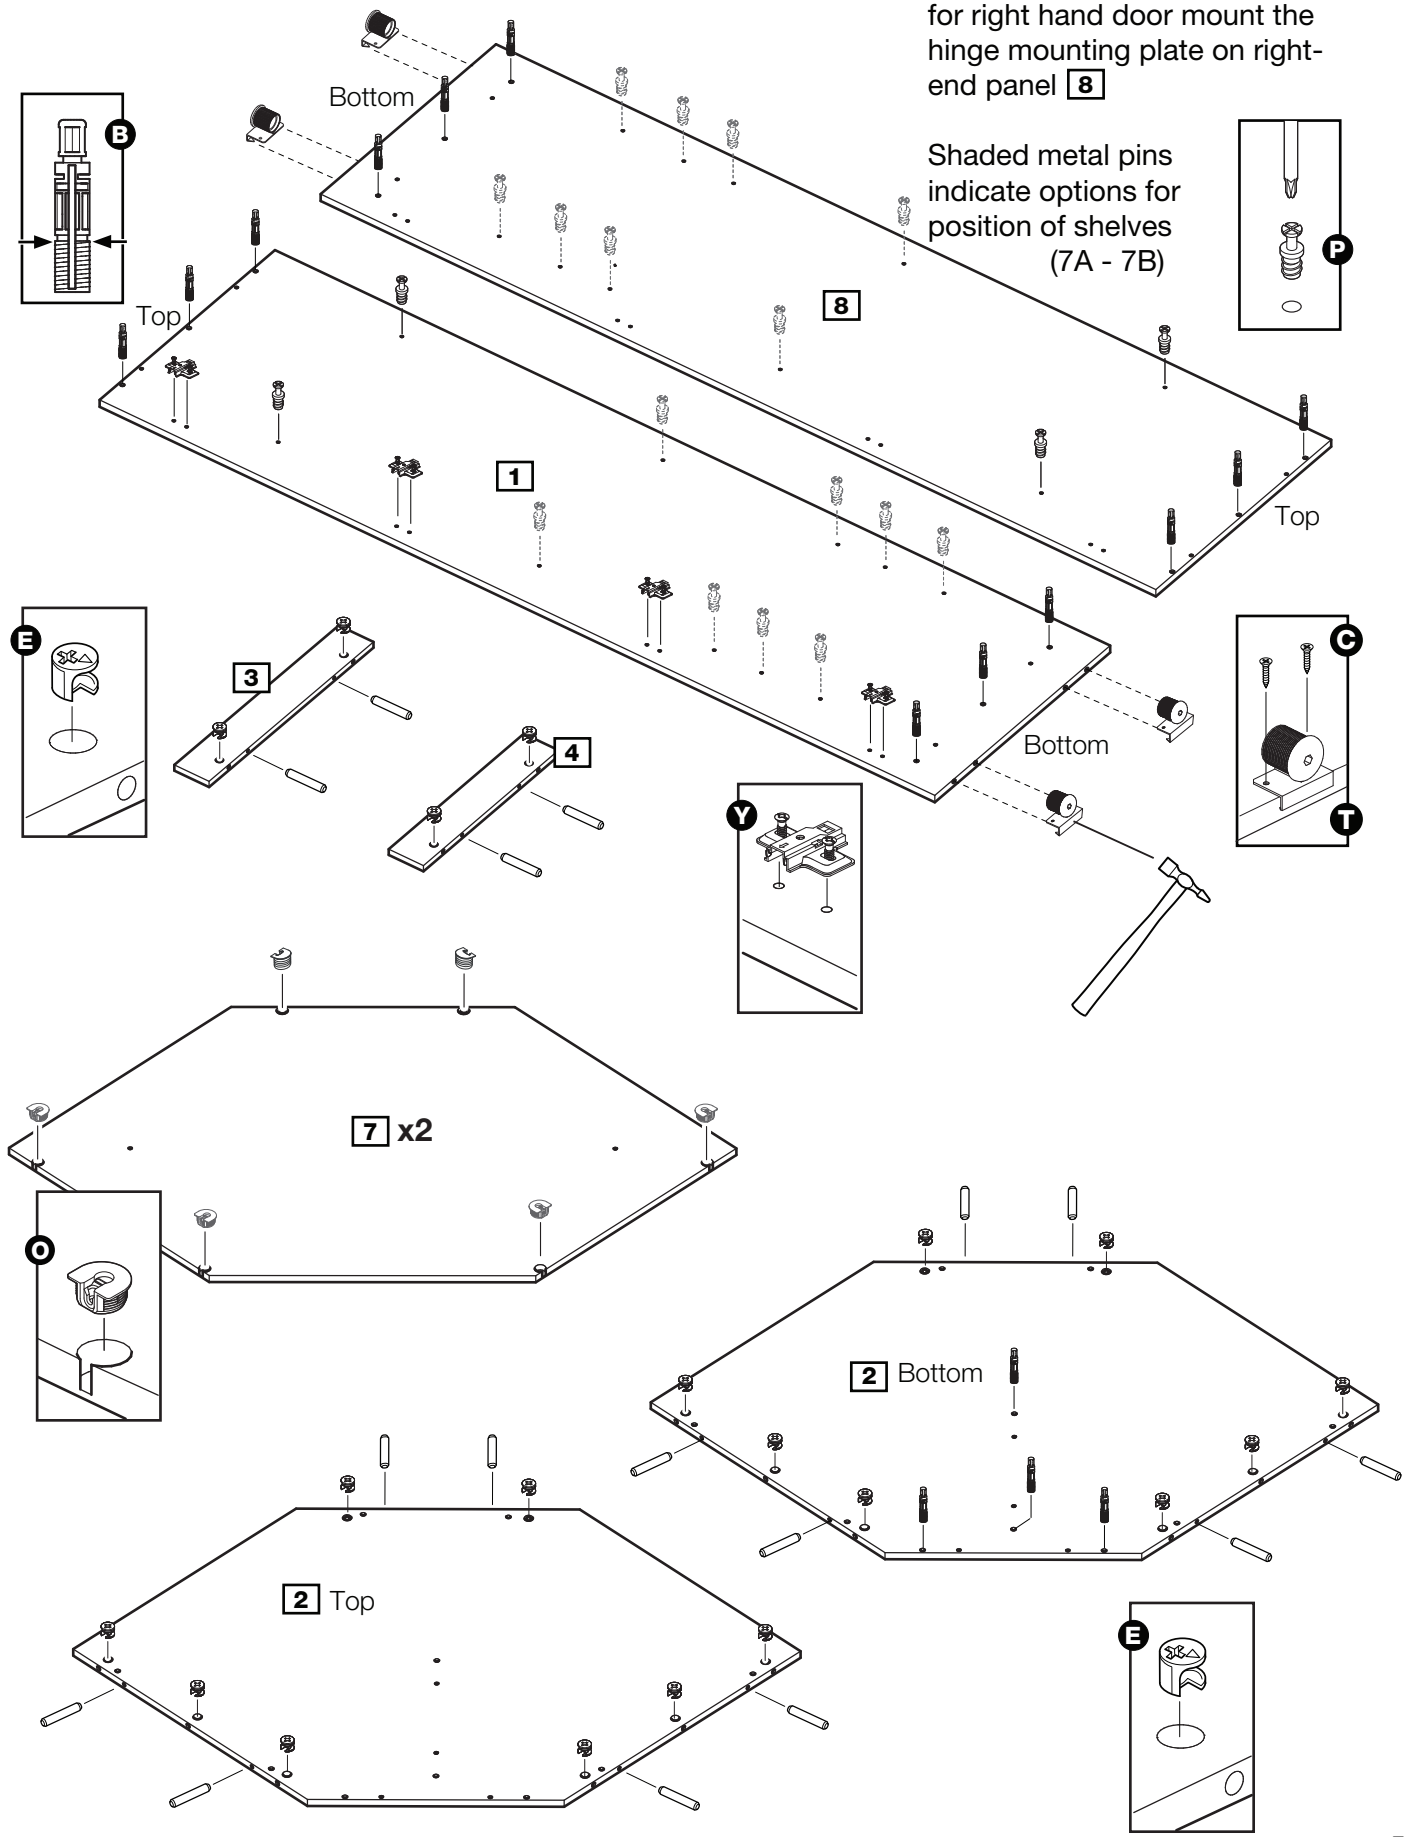

## Step 1

**Prepare panels**

***Important:***

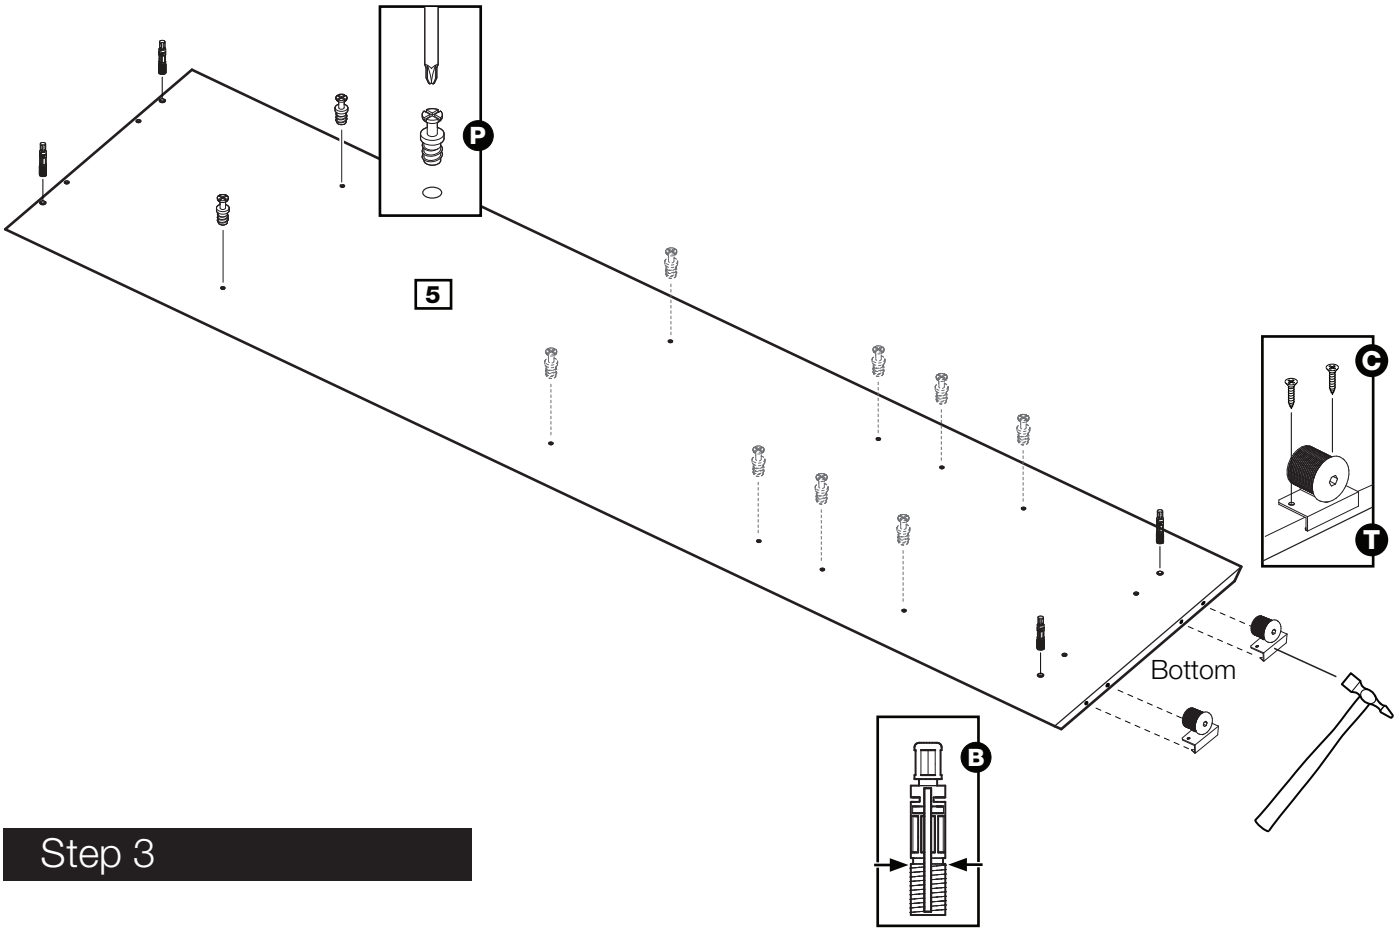

The picture refers to the assembly of a left hand door, for right hand door mount the hinge mounting plate on right-end panel 8

Shaded metal pins indicate options for position of shelves (7A - 7B)

**How to connect to single/double robe**

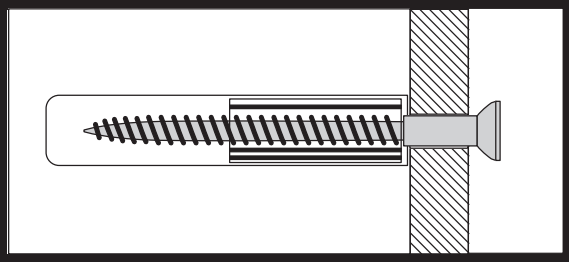

## A Guide to

# Wall Mounting & Fixings

**IMPORTANT:**
When drilling into walls always check that there are no hidden wires or pipes etc. Make sure that the screws and wall plugs being used are suitable for supporting your unit. Consult a qualified tradesperson if you are unsure.

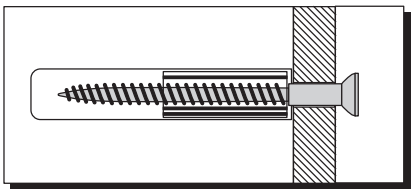

**HINTS:**

1) General Rule ⚠ Always use a larger screw and wall plug if you are not sure.
2) Ensure you use the recommended drill bit to match the wall plug and hole size.
3) Ensure you drill the hole horizontally, do not force the drill or enlarge the hole.
4) Take extra care when drilling high walls, ceilings and ceramic tiles. Ensure the plug is fitting below the ceramic tile to avoid splitting or cracking.
5) Ensure wall plugs are well fitted and are a tight fit in the drilled hole.

### Types Of Walls

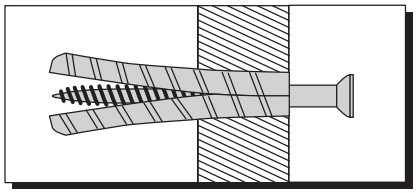

You can use one of the following types of wall plug if your walls are made of brick, breeze block, concrete, stone, wood or plaster board.

**No.1 "Standard" Wall Plug**
**General Wall Materials**

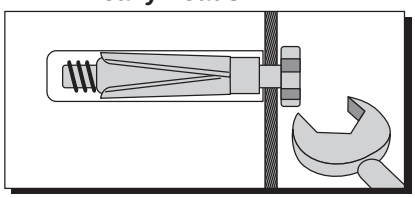

These come in various sizes and are made from plastic or sometimes wood fiber.

**No.2 "General Purpose" Wall Plug**
**Aerated / Breeze Block**

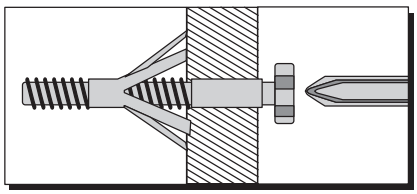

Generally aerated blocks should not be used to support heavy loads, use a specialist fitting in this case.
For light loads, a General Purpose Plug can be used.

**No.3 "Shield Anchor" Wall Plug**
**Heavy Loads**

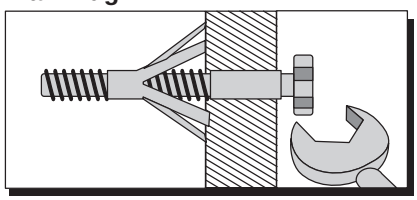

For use with heavier loads such as TV & HiFi Speakers and Satellite Dishes etc.

**No.4 "Cavity Fixing" Wall Plug**

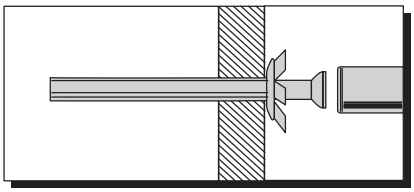

For use with plaster board partitions or hollow wooden doors.

**No.5 "Cavity Fixing - Heavy Duty" Wall Plug**

For use when fitting or supporting heavy loads such as shelving, wall cabinets, coat racks.

**No.6 "Hammer Fixing" Wall Plug**

For use with walls stuck with plaster board. The hammer fixing allows it to be fixed to the wall rather than the plaster board. Always check the fixing is secure to the retaining wall.

### CARE & MAINTENANCE

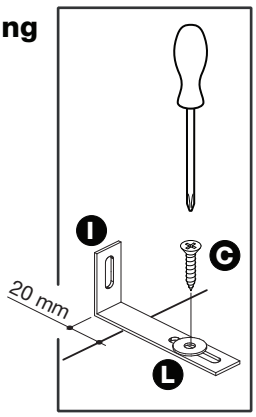

⚠ **SAFETY**
Always check the fitting and location to ensure your safety in and around the home.

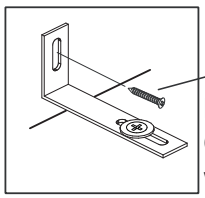

⚠ **FITTING**
From time to time check the fitting to ensure the wall plugs or screws do not become loose.

# Assembly Instructions

## Step 14

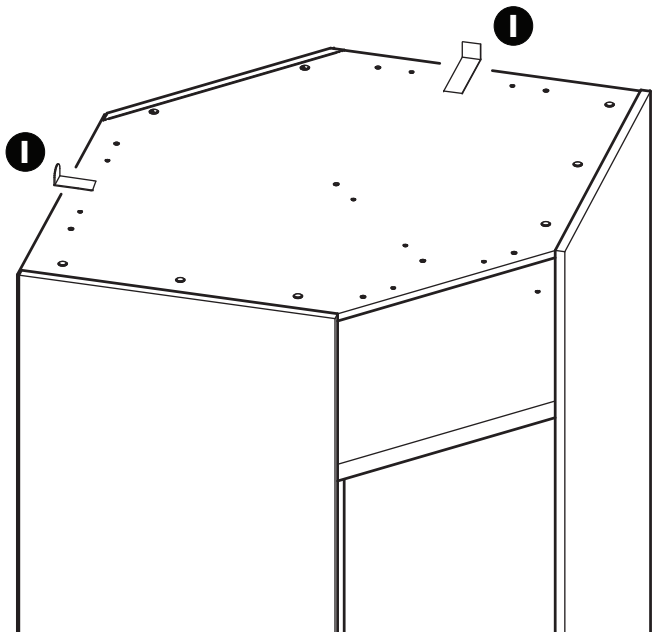

**Decor end fixing**

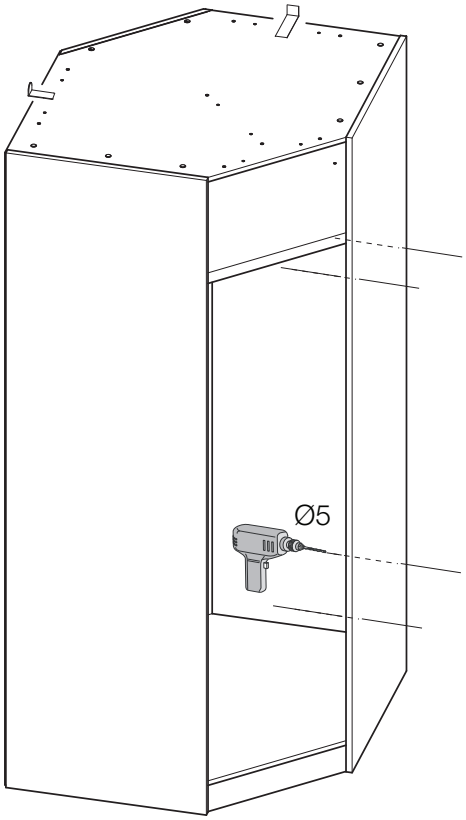

WALL PLUG
AND SCREW
NOT INCLUDED

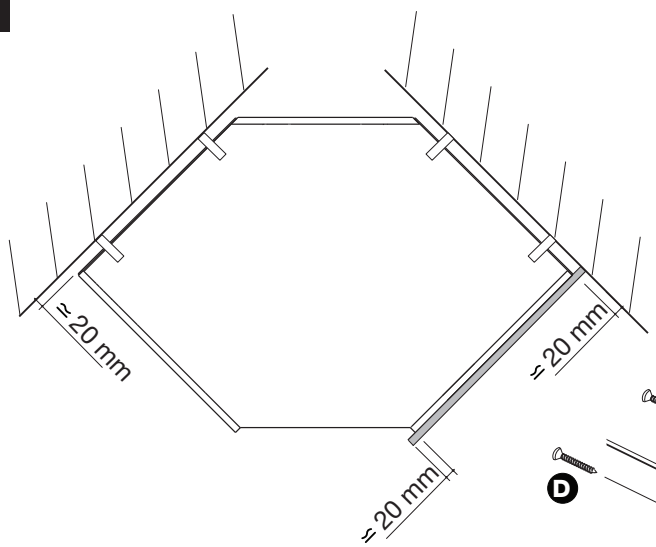

**Please see Guide to wall mounting**

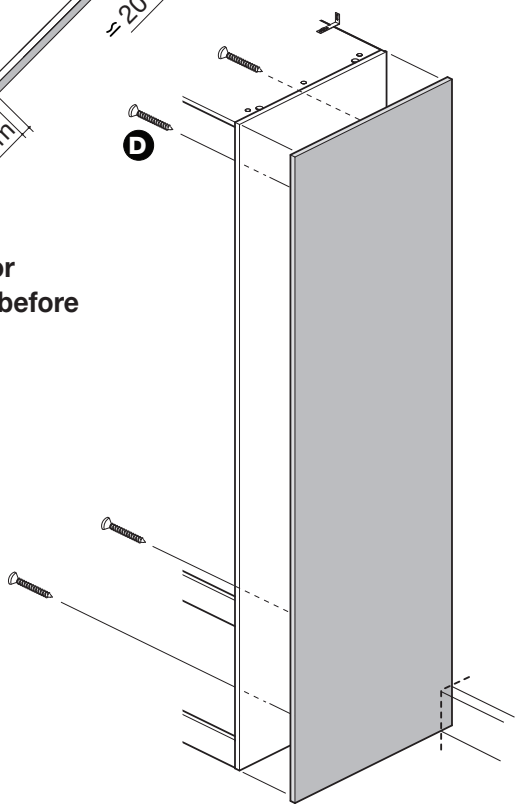

## Step 15

**Decor end fixing**

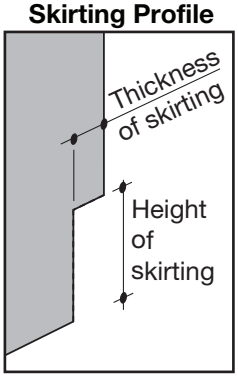

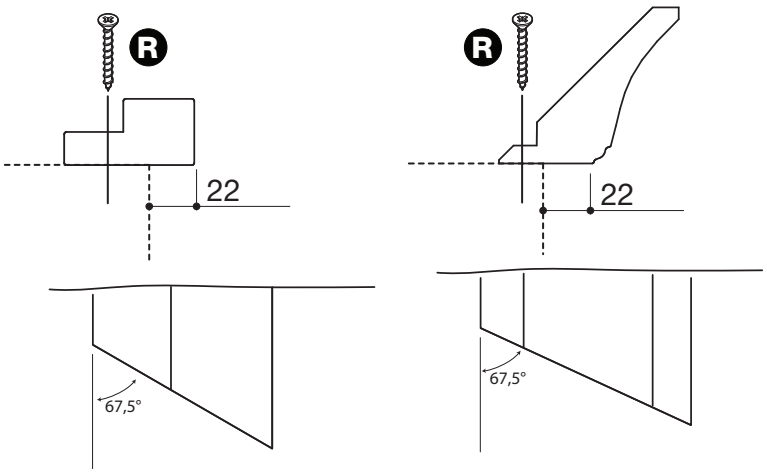

**If cutting section out for skirting board - do so before fitting panel**

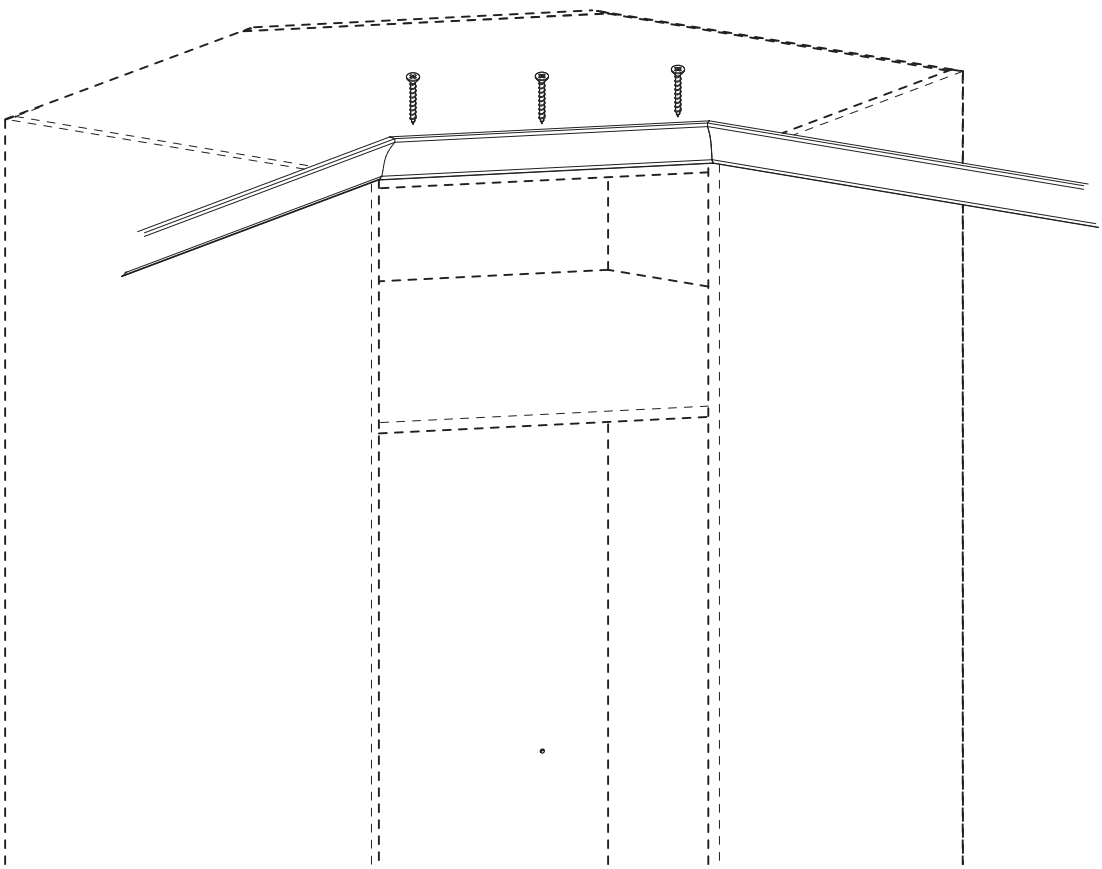

**Skirting Profile**

## Step 16

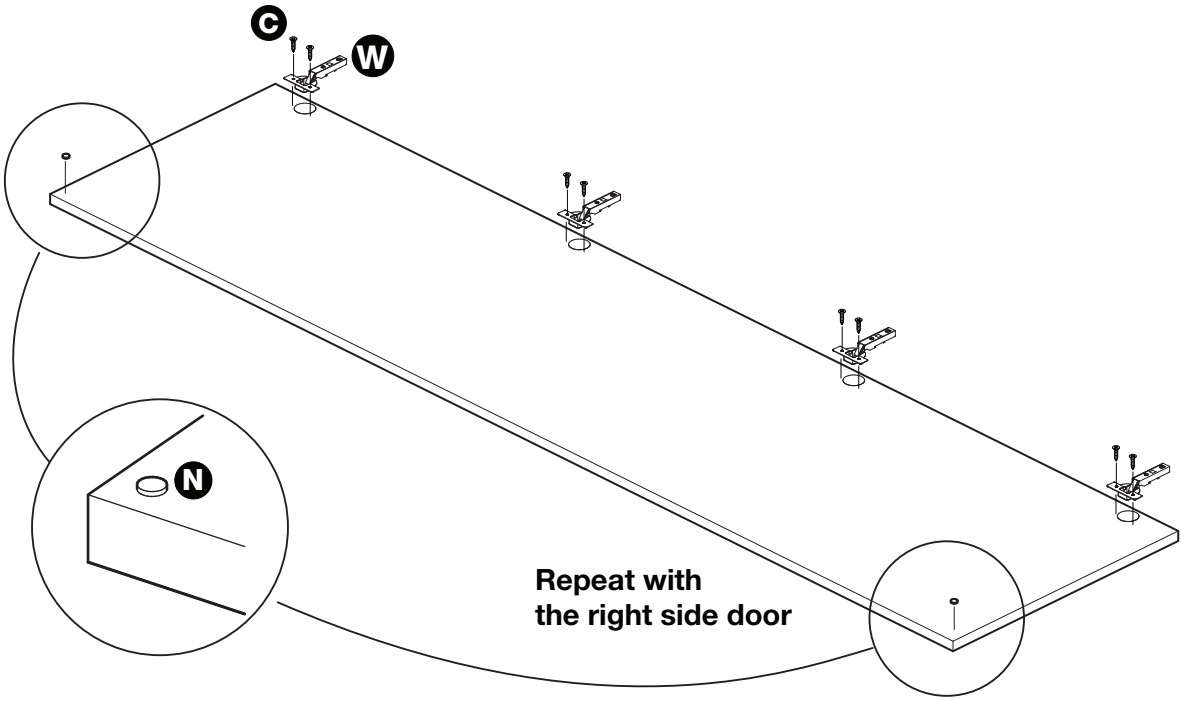

**Cornice cutting + assembly**

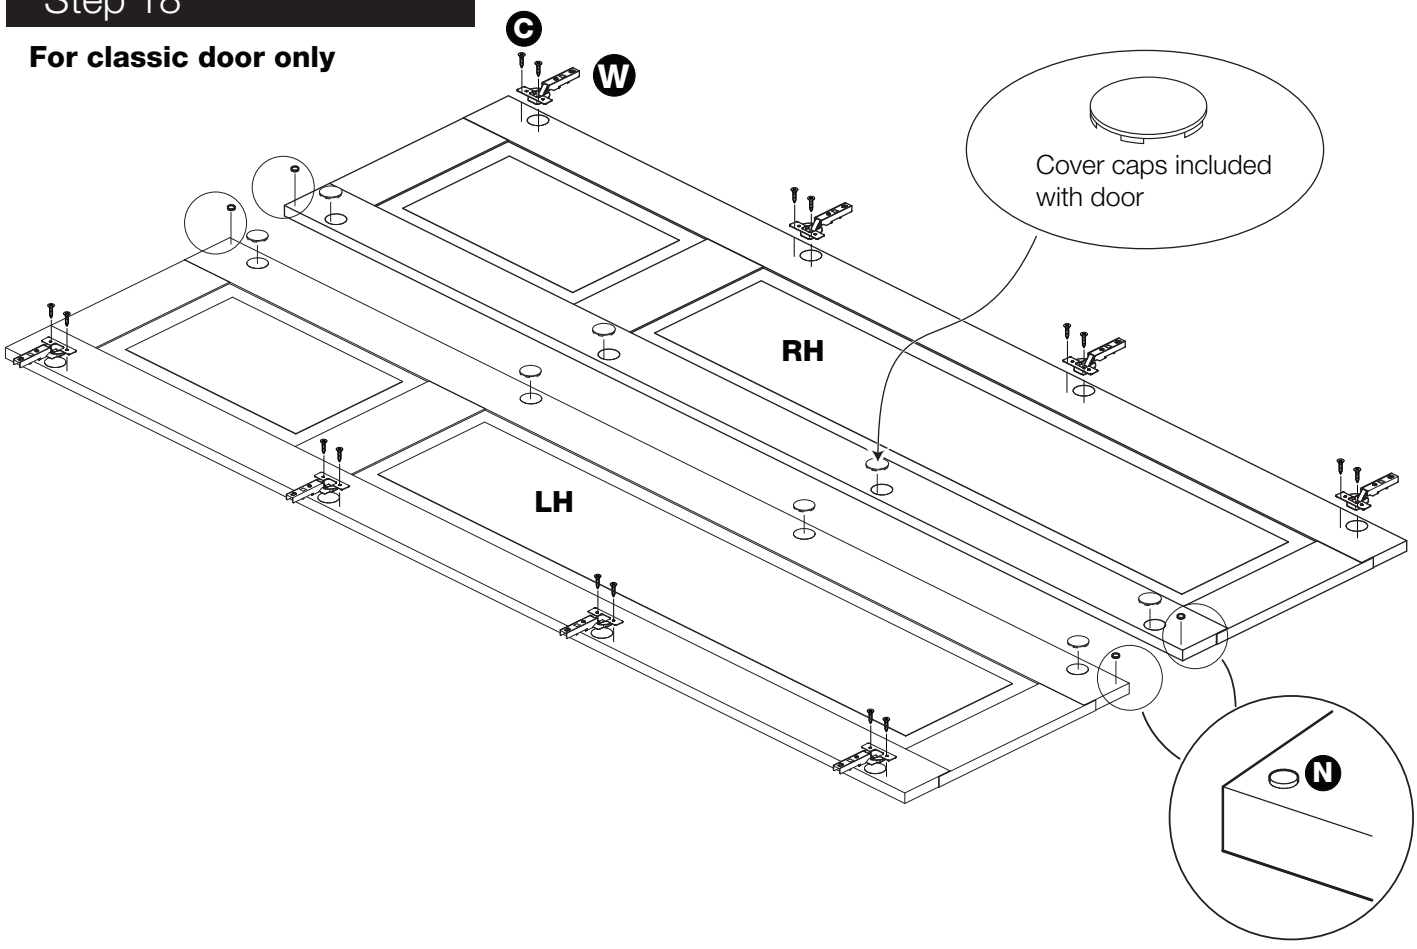

## Step 17

**Application of hinges to door**

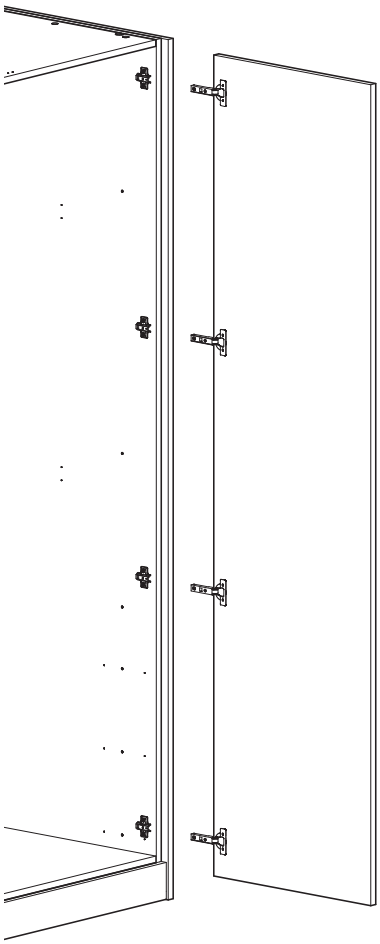

## Step 18

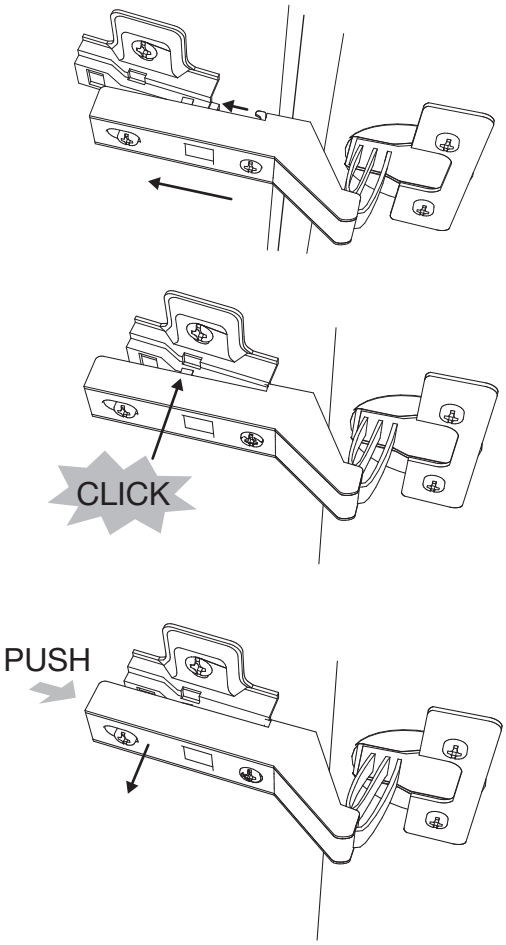

**For classic door only**

## Step 19

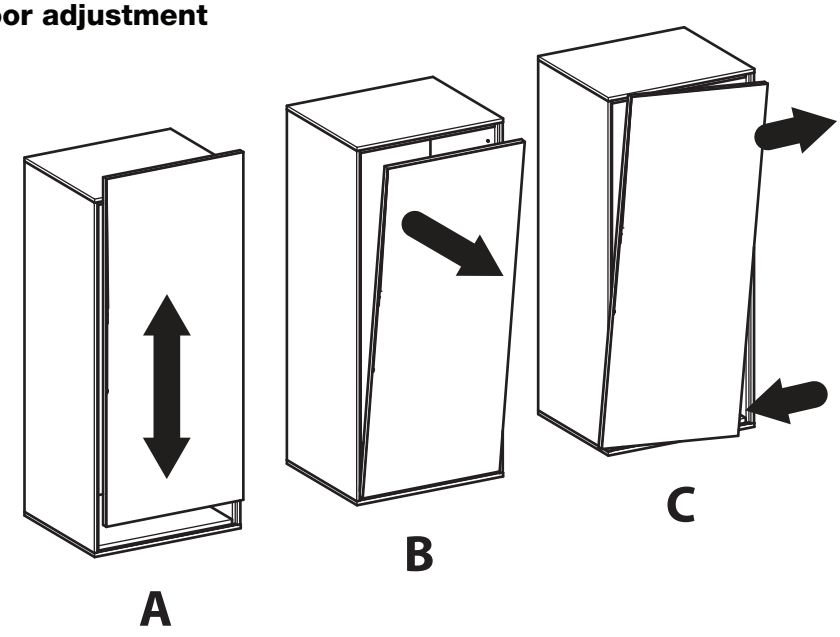

**Hang door**

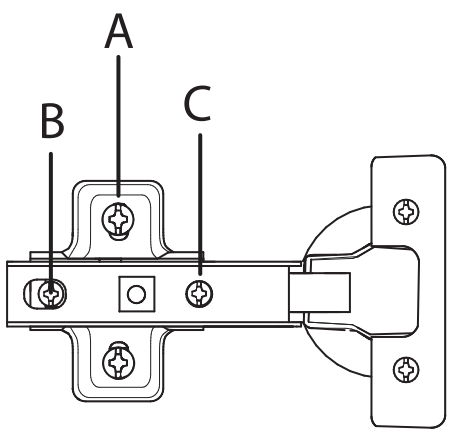

## Step 20

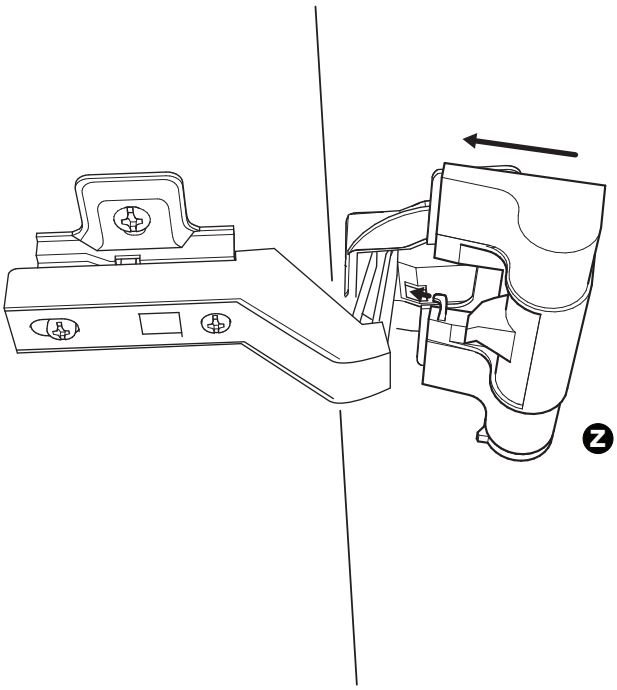

**Door adjustment**

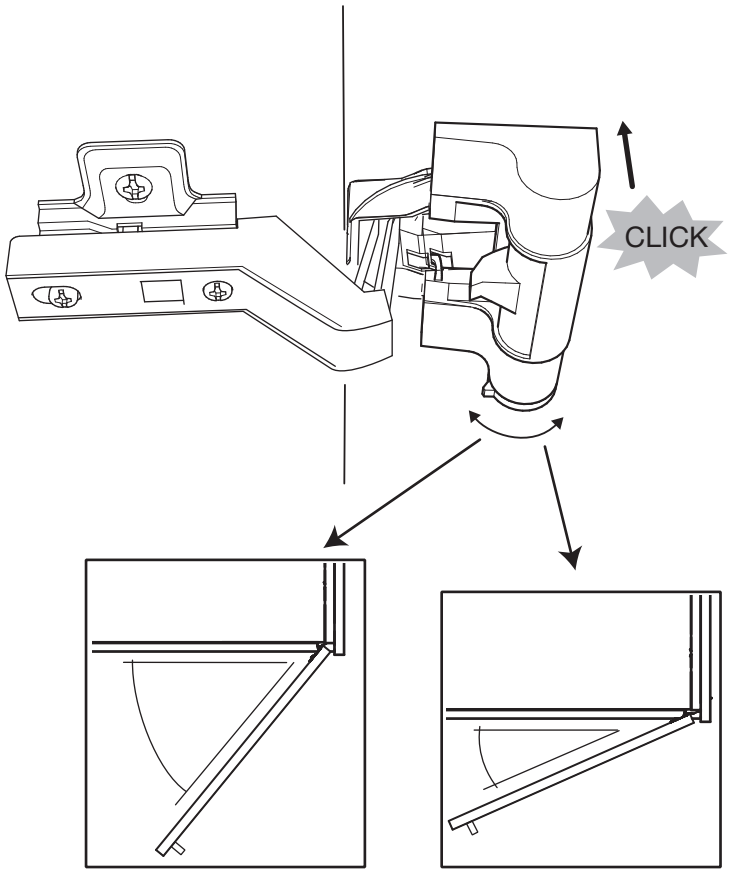

## Step 21

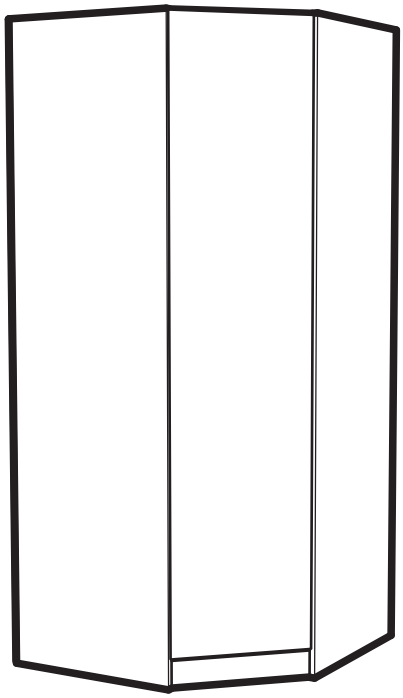

**Fit soft close mechanism to door hinge**

Adjustment dictates the position from which the door starts the slow motion closing

# Assembly Instructions

That's the Robe completed.
Take care of your unit by using a damp cloth to clean it.
Please remember to occasionally check that all Cams and Screws are tight.

CLEANING INSTRUCTIONS

This product has been manufactured using modern manufacturing methods and materials. With appropriate in-home care and maintenance it will provide trouble free performances. Many domestic multi-purpose cleaning agents are unsuitable for use on this product. The use of aggressive chemicals can result in irreversible damage. Please follow these guidelines carefully.

USE only 5% soap, 95% water solution, wiping with a damp (not wet) cloth. Finally dry with a soft clean cloth. Dust with a soft clean cloth only.

DO NOT USE wax furniture polish, abrasive or aggressive cleaners, bleach or hypochlorate (chlorine) based cleaners, multi-purpose cleaners, dilutes, acetone, alcohol, solvent or similar products.

**Recycling – the packaging materials for this product may be recycled through your local recycling centre. When you want to dispose of the product itself, please consider donating it to a local charitable organisation, otherwise recycle it through your local recycling centre.**
