Dimensions

Width - 46,8 / 96,8cm

Depth - 58,5cm

Height - 72,7cm

Important - Please read these instructions fully before starting assembly

Ref. no HB 04.06 Date: 27/05/11

Safety and care advice

Important – Please read these instructions fully before starting assembly

• Check you have all the components and tools listed on pages 2 and 3.

• Remove all fittings from the plastic bags and separate them into their groups.

• Keep children and animals away from the work area, small parts could choke if swallowed.

• Make sure you have enough space to layout the parts before starting.

• Do not stand or put weight on the panels, this could cause damage.

• Assemble the unit as close to its final position (in the same room) as possible.

• Assemble on a soft level surface to avoid damaging the unit or your floor.

• ***Note:*** Only apply the glue once you are sure of the assembly.

• The wall plugs supplied are suitable for solid walls only.

It is important that the correct type of fixing is used for your wall, seek professional advice if in doubt.

• Parts of the assembly will be easier with 2 people.

• If using power tools, please follow the safety instructions supplied with the tools.

• We do not recommend the use of power drill/ drivers for inserting screws, as this could damage the unit. Only use hand screwdrivers.

• ***Warning:*** Before drilling, check the wall for hidden pipes and cables.

• Dispose of all packaging carefully and responsibly.

• ***Warning:*** The unit weighs approximately 16kgs (single) and 26kgs (double)

Please lift with care.

Glue safety - Take care when using glue, please follow the advice below

Skin contact: Remove contamination by washing with soap and water. This procedure should also be followed prior to eating and drinking.

Eye contact: Rinse immediately with clean water for 15 minutes and seek medical advice.

If swallowed: Seek medical advice immediately. If possible show product information or label to the medical advisor.

Care and maintenance

• Only clean using a damp cloth and mild detergent, do no use bleach or abrasive cleaners.

• From time to time check that there are no loose screws on this unit.

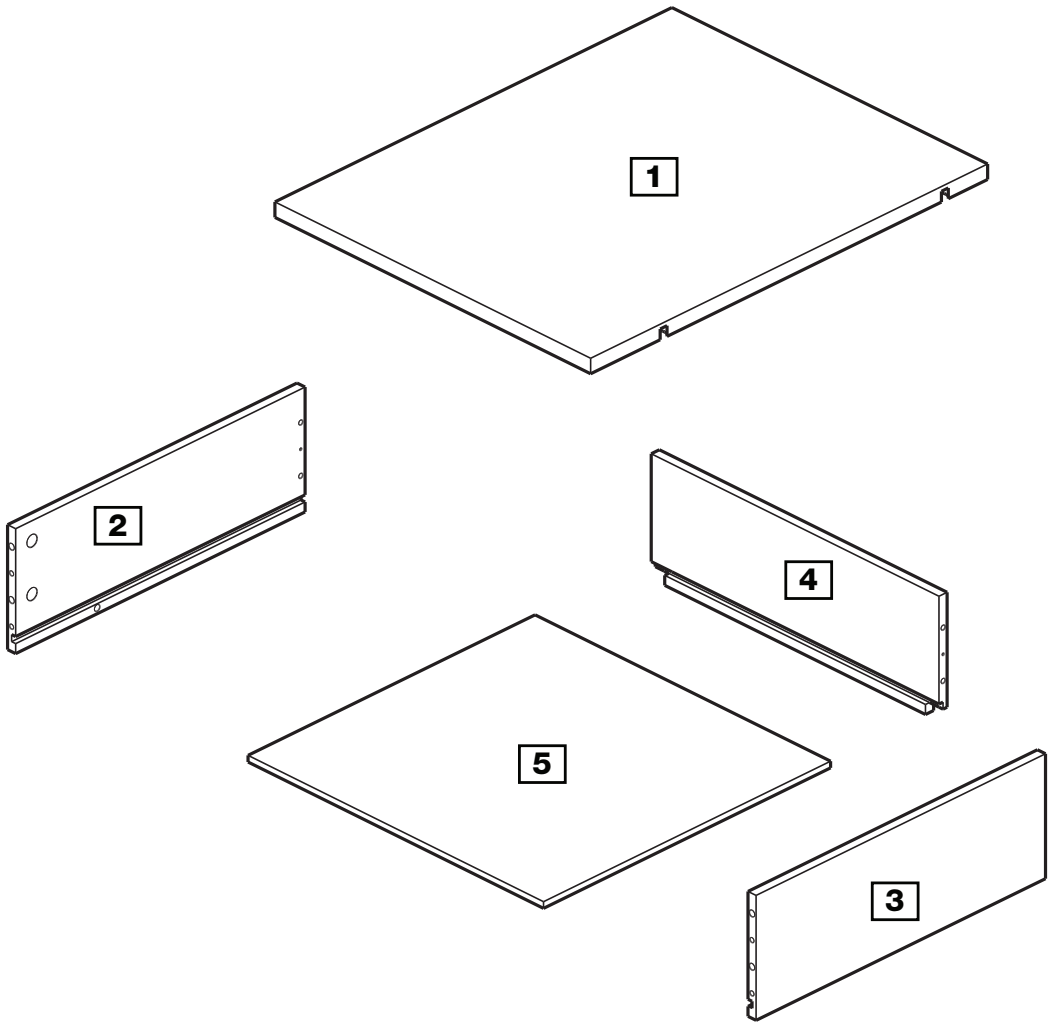

• This product should not be discarded with household waste. Take to your local authority waste disposal centre.

Note: if required the next page can be cut out and used as reference throughout the assembly. Keep this page with these instructions for future reference.

Step 5

Assembly Instructions

That's the Combi Robe completed.
Take care of your unit by using a damp cloth to clean it.
Please remember to occasionally check that all Cams and Screws are tight.

CLEANING INSTRUCTIONS

This product has been manufactured using modern manufacturing methods and materials. With appropriate in-home care and maintenance it will provide trouble free performances. Many domestic multi-purpose cleaning agents are unsuitable for use on this product. The use of aggressive chemicals can result in irreversible damage. Please follow these guidelines carefully.

USE only 5% soap, 95% water solution, wiping with a damp (not wet) cloth. Finally dry with a soft clean cloth. Dust with a soft clean cloth only.

DO NOT USE wax furniture polish, abrasive or aggressive cleaners, bleach or hypochlorate (chlorine) based cleaners, multi-purpose cleaners, dilutes, acetone, alcohol, solvent or similar products.

Recycling – the packaging materials for this product may be recycled through your local recycling centre. When you want to dispose of the product itself, please consider donating it to a local charitable organisation, otherwise recycle it through your local recycling centre.
