hygena

Dimensions

Width - 100 cm

Depth - 46 cm

Height - 80 cm

Important - Please read these instructions fully before starting assembly

For all enquiries please contact : **08456 400800**

Ref. no RY 02.00 Date: 14/02/14

Safety and care advice

Important - Please read these intructions fully before starting assembly

• Check you have all the components and tools listed on pages 3 and 4.

• Remove all fittings from the plastic bags and separate them into their groups.

• Keep children and animals away from the work area, small parts could choke if swallowed.

• Make sure you have enough space to layout the parts before starting.

• Do not stand or put weight on the panels, this could cause damage.

• Assemble the unit as close to its final position (in the same room) as possible.

• Assemble on a soft level surface to avoid damaging the unit or your floor.

• Parts of the assembly will be easier with 2 people.

• If using power tools, please follow the safety instructions supplied with the tools.

• We do not recommend the use of power drill/ drivers for inserting screws, as this could damage the unit. Only use hand screwdrivers.

• ***Warning:*** Before drilling, check the wall for hidden pipes and cables.

• Dispose of all packaging carefully and responsibly.

• ***Warning:*** The unit weighs approximately 21,5kgs **Please lift with care.**

Care and maintenance

• From time to time check that there are no loose screws on this unit.

• This product should not be discarded with household waste. Take to your local authority waste disposal centre.

Cleaning instructions

• This product has been manufactured using modern manufacturing methods and materials. With appropriate in-home care and maintenance it will provide trouble free performances. Many domestic multi-purpose cleaning agents are unsuitable for use on this product.

The use of aggressive chemicals can result in irreversible damage. Please follow these guidelines carefully.

USE only 5% soap, 95% water solution, wiping with a damp (not wet) cloth. Finally dry with a soft clean cloth.

Dust with a soft clean cloth only.

DO NOT USE wax furniture polish, abrasive or aggressive cleaners, bleach or hypochlorate (chlorine) based cleaners, multi-purpose cleaners, dilutes, acetone, alcohol, solvent or similar products.

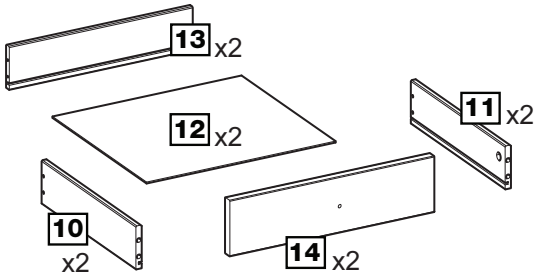

Recycling – the packaging materials for this product may be recycled through your local recycling centre. When you want to dispose of the product itself, please consider donating it to a local charitable organisation, otherwise recycle it through your local recycling centre.

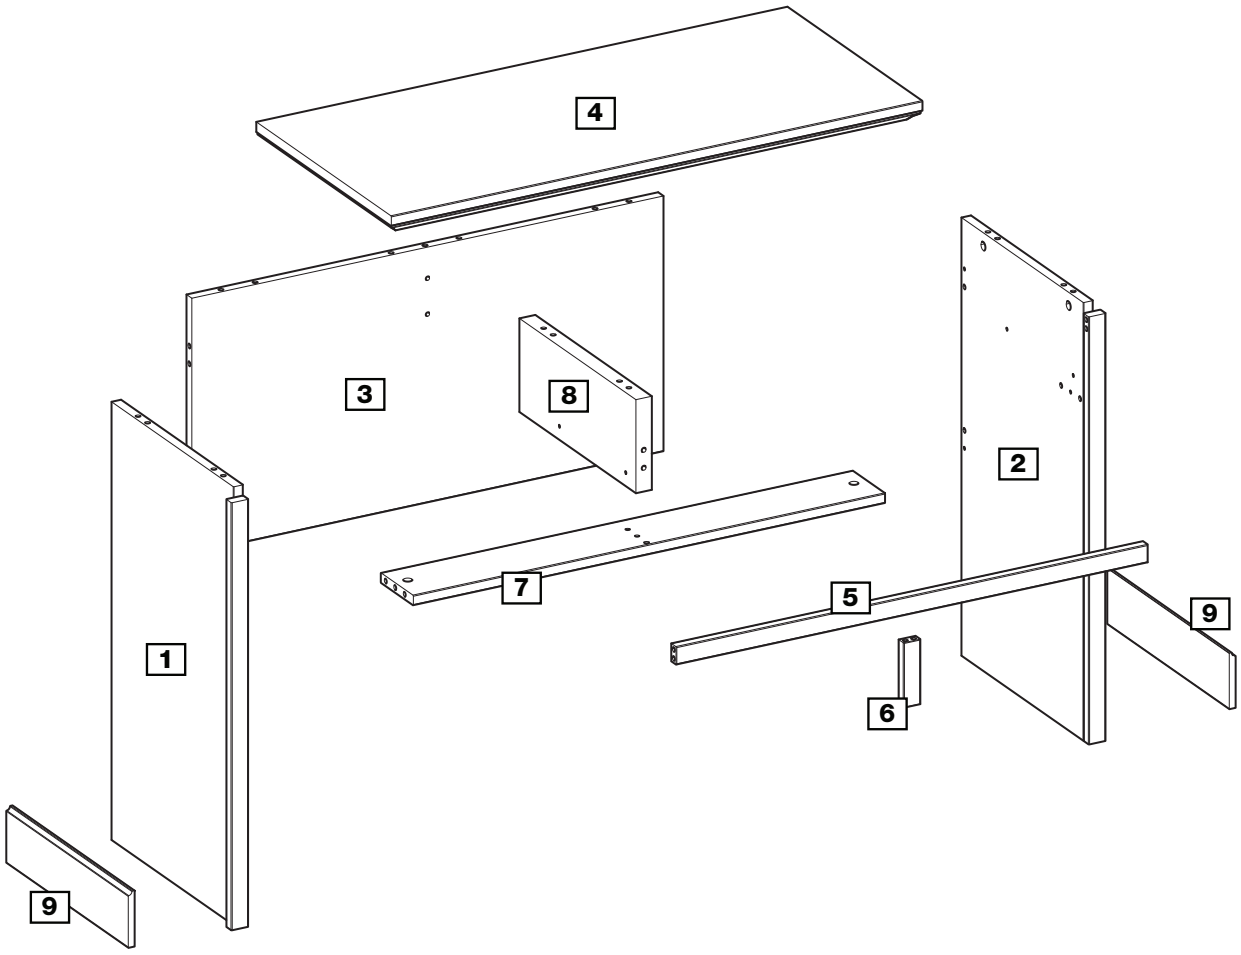

Note: if required the next page can be cut out and used as reference throughout the assembly. Keep this page with these instructions for future reference.
