

CLASSIC FUNCTIONALITY. INTUITIVE CONTROL.

Make the everyday a little easier with classic, hands free functionality. Jabra Classic gives you everything you'll need for straightforward, hands free calls.

Connecting is simple and staying connected is even easier. As well as guiding you through the pairing process, Jabra Classic's built-in voice guidance tells you when you're successfully connected with your device – and when it's time to recharge.

Jabra Classic features A2DP which lets you stream your favourite multimedia content – including music, podcasts or GPS directions – from your mobile device like smartphone, tablet or mp3 player straight to the headset. When it comes to comfort, Jabra Classic is designed for all-day wearing. Jabra's ultimate comfort eargels molds softly to your ear creating the perfect fit. You can wear the Jabra Classic with or without the earhook. Included with the headset are two sizes of earhooks as well as an alternative comfortable eargel for use without the earhook. So whether you're streaming music or taking a call, you're always getting a custom fit.

With the Jabra Assist smartphone app, the Find My Jabra feature geotags your headset when it's in use so you can use the map application in your smartphone to find the last place you used your headset in case you've misplaced it.

REASONS TO CHOOSE THE JABRA CLASSIC

- Perfect fit with ultimate comfort eargels™
- Stream multimedia – GPS, music & podcasts
- Find My Jabra with smartphone app

QUICK START GUIDE - GET STARTED UNDER 5 MINUTES

1 CONNECTING

CONNECTING WITH A BLUETOOTH DEVICE

1. Turn the headset on (set the **on/off** switch to the on position).
2. Press and hold (3 secs) the **answer/end** button until the *Bluetooth* indicator flashes blue and pairing mode is announced in the headset.
3. Follow the voice-guided pairing instructions to pair to your *Bluetooth* device.

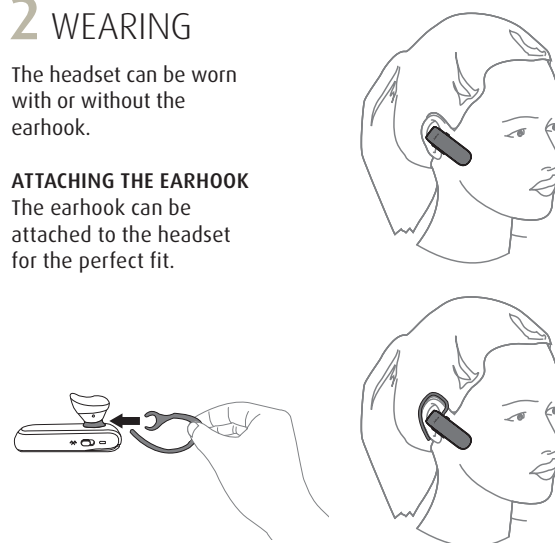

2 WEARING

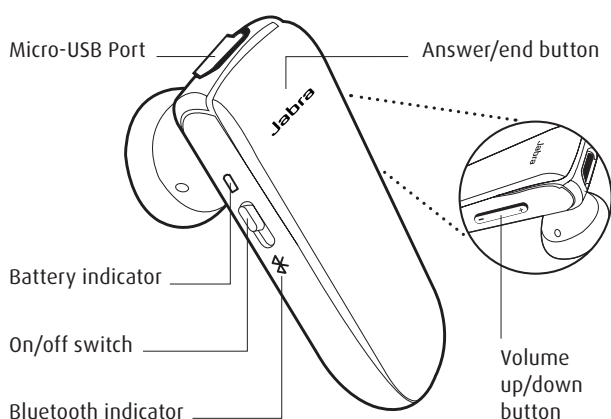

The headset can be worn with or without the earhook.

ATTACHING THE EARHOOK

The earhook can be attached to the headset for the perfect fit.

3 USING

	Answer/end call	Tap the answer/end button
	Reject call	Press and hold (1 sec) the answer/end button
	Redial last number	Double-tap the answer/end button
	Adjust speaker volume	The volume adjusts intelligently depending on the surrounding environment
	Mute/un-mute microphone	Tap both the volume up and volume down button at the same time

It takes approx. 2 hours to fully charge the battery

IMPORTANT

Download the Jabra Assist App for your your iOS and Android™ device to enhance your Jabra experience.
