# Safety and Care Advice

**Important** Please read these instructions fully before starting assembly

- Read these instructions carefully and familiarise yourself with the procedure before assembling the unit.
- Check that you have all the component parts following the list on the back cover and familiarise yourself with each part before proceeding.
- Take all the fittings out of the plastic bag and separate them into their groups.
- Ensure you have enough space to lay out all the parts before assembly.
- To avoid scratching it is recommended that you assemble the unit on a soft level surface.
- Keep children and animals away from the work area, small parts could choke if swallowed.
- This product is manufactured from toughened safety glass. In the unlikely event that the glass fails it will break into a large number of small fragments that may be spread over a wide area.
- This is a feature of toughened glass, designed to remove the risk of injury from glass breaking into large shards.
- If the glass is chipped or broken, replace with the same type of glass. Consult the furniture retailer or agent with regard to obtaining a manufacturing specification of the shape for replacement glass quoting the model numbers, and batch number or date of manufacture of this item.
- It would be useful to ask someone to help you during assembly.
- Dispose of all packing carefully and responsibly.
- Suggest to complete this product assembly by two person.
- Do not place very hot or cold items against or in close proximity to glass surface unless an adequately thick insulating material is used to prevent such items from coming into contact with the glass.
- Do not use the glass as a chopping surface. Do not strike the glass with hard or pointed items.
- Do not sit or stand on the glass surface, as this would be hazardous.
- Do not over-tighten as this may damage the glass.
- **Warning:** The unit weights approximately 31 kgs.

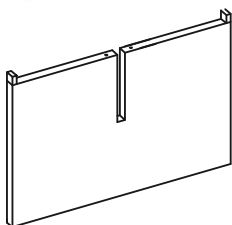

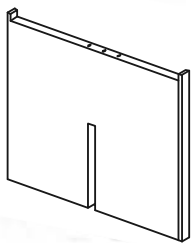

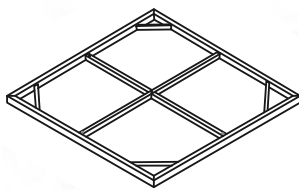

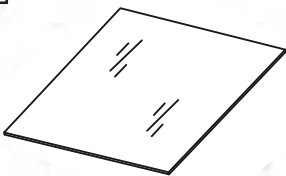

**Please lift with care.**

## Care and maintenance

- To avoid any risk of suffocation to animals or children dispose of the plastic bags immediately.
- As with all surface clean with a damp cloth and mild detergent, rinse thoroughly dry frame completely.
- Do not use washing powders or any other substances containing abrasives since these substances scratch glass.
- In order to prolong the life and beauty of your table, we recommend the use of furniture covers and store in a dry and secure area when not in use.
- When moving the table, lift the table, do not drag.
- From time to time please ensure there are no loose screws on the product.

# Components-Parts

Please check you have all the parts listed below

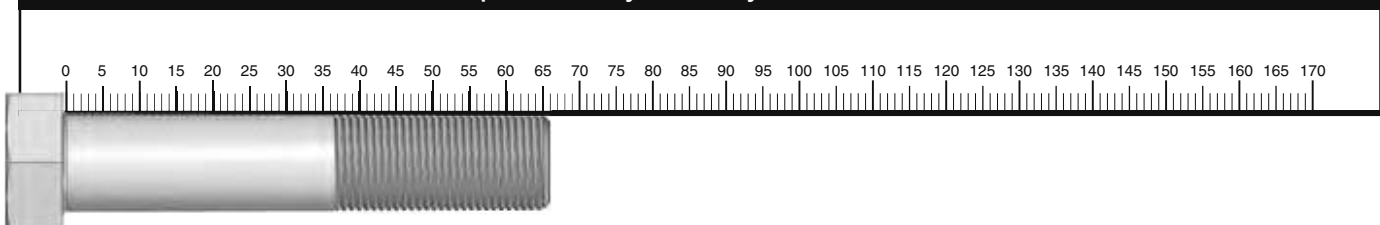

<div>1</div>  <div>1 x Left Crossed Frame</div>	<div>2</div>  <div>1 x Right Crossed Frame</div>	<div>3</div>  <div>1 x Table Top Frame</div>

**Ruler** - Use this ruler to help correctly identify the screws

# Assembly Instructions

## Step 1

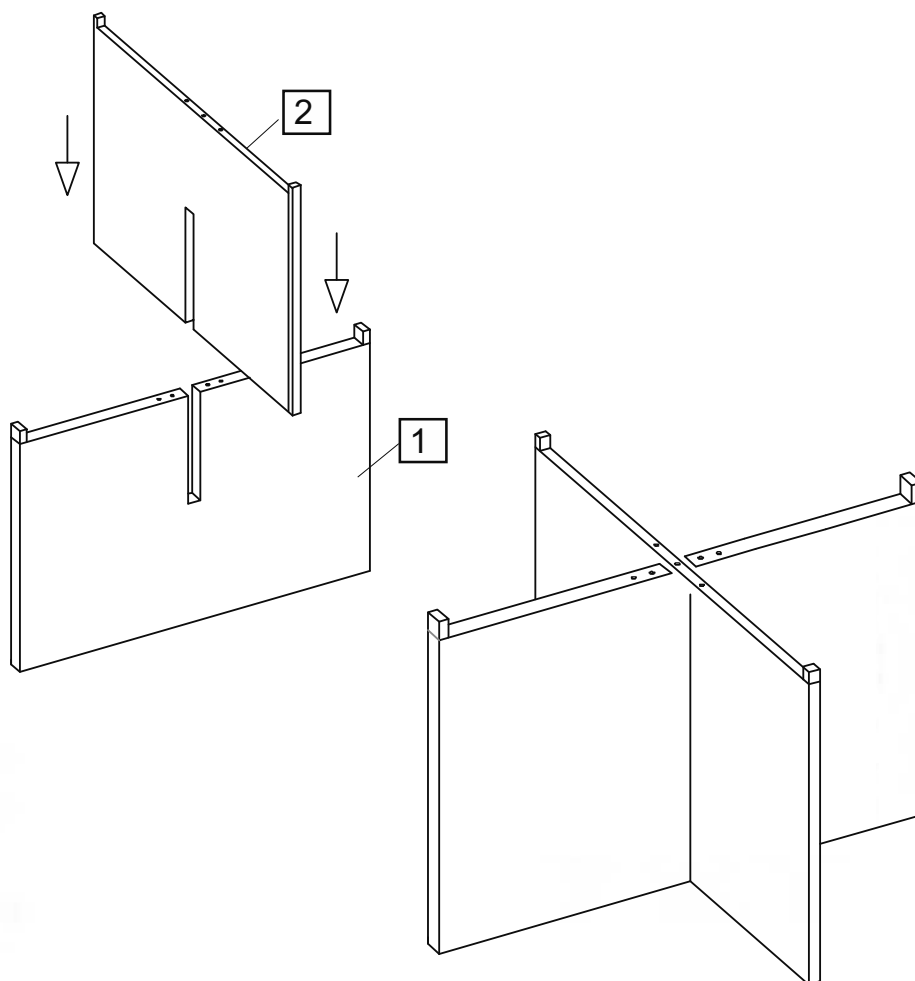

### Insert, tighten crossed frame

Carefully insert the right crossed frame **2** into the left crossed frame **1**, tighten on the same level.

#### **Important:**

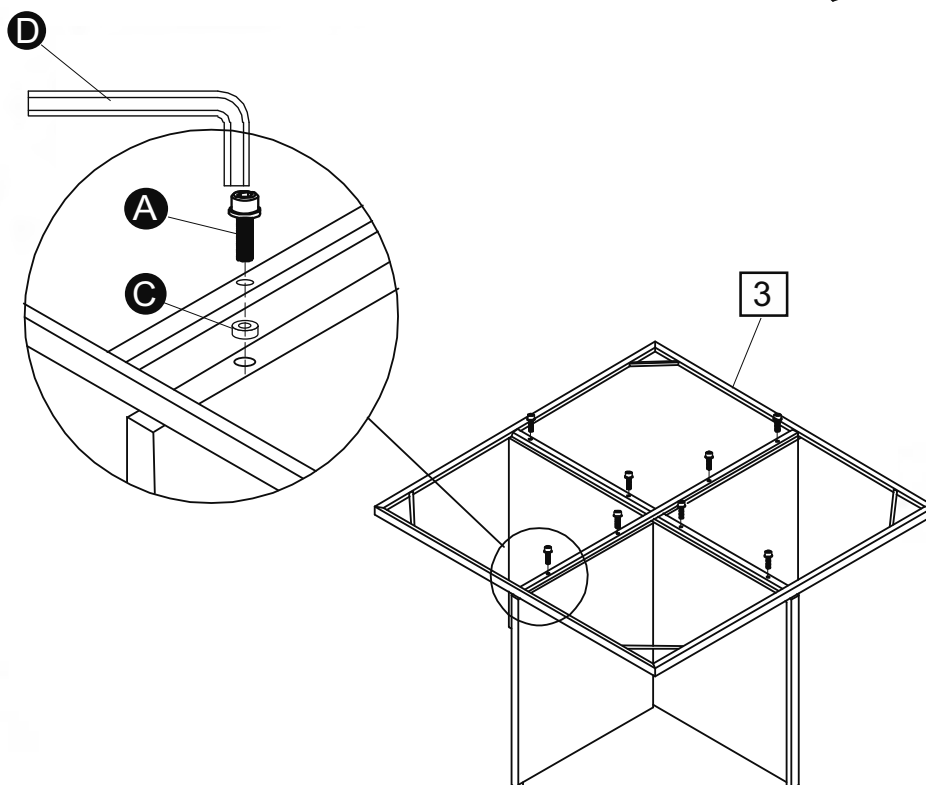

We suggest to complete this product assembly by two person.

## Step 2

### Fit top frame and crossed frame

Place the crossed frame **1** and **2** under the table top frame **3**, use screws and washers **A** and **C** to tighten the unit.

#### **Important:**

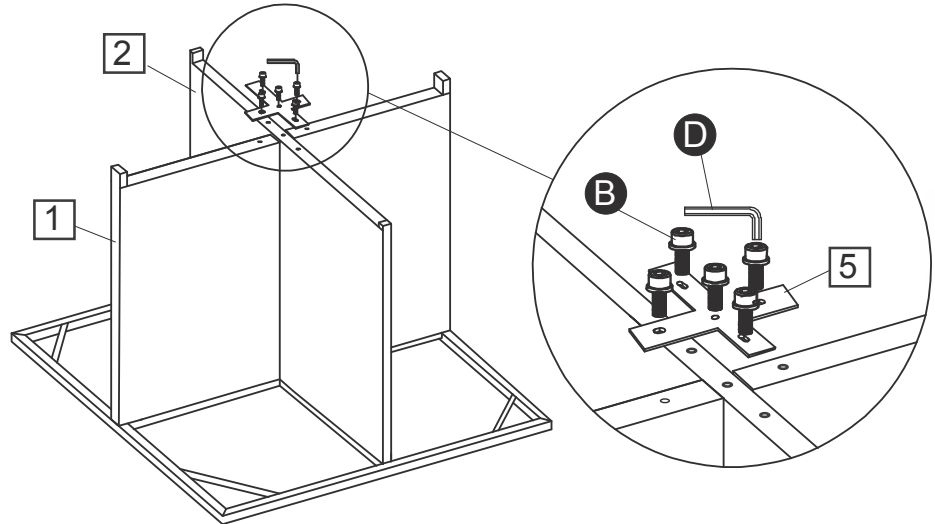

Do not fully tighten all screws until assembly is complete.

# Assembly Instructions

## Step 3

### Fix the bottom of the table

Fix the crossed frame **1** and the crossed frame **2** by connector **5**. Then tighten all the screws.

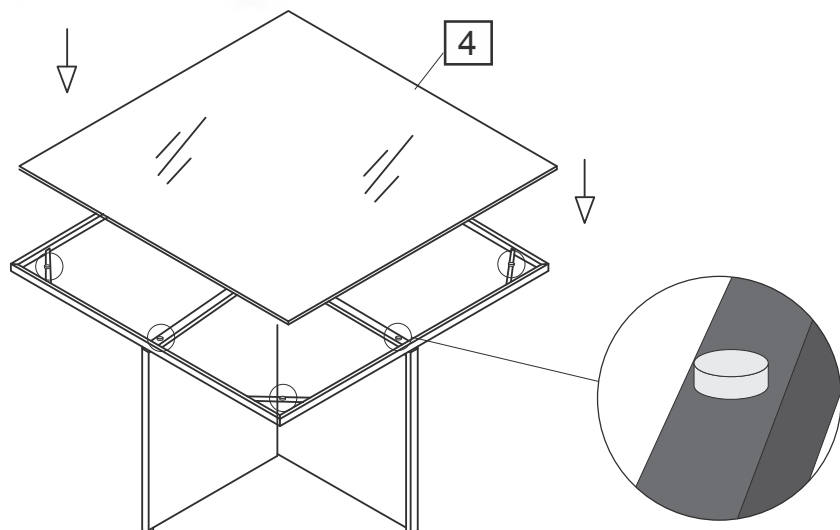

## Step 4

### Place glass table top

Turn the table frame to its upright position, then carefully place the glass top **4** onto the unit.

Carefully place the table in the desired location.

Warning: Don't detach the plastic support from the table frame and keep away from baby and children! It is for glass support!

**Assembly is complete**
