Safety and Care Advice

Important - Please read these instructions fully before starting assembly

Check you have all the components and tools listed on pages 2 and 3.

Remove all fittings from the plastic bags and separate them into their groups.

Keep children and animals away from the work area, small parts could choke if swallowed.

Make sure you have enough space to layout the parts before starting.

Assemble the item as close to its final position (in the same room) as possible.

Assemble on a soft level surface to avoid damaging the unit or your floor.

Assembly requires 2 people.

Do not fully tighten bolts until the whole bed is assembled. Do not overtihgten the nuts to avoid causing damage to the threads.

We do not recommend the use of power drill/drivers ***for inserting screws,*** as this could damage the unit. Only use hand screwdrivers and Allen keys.

Dispose of all packaging carefully and responsibly.
