ICE CRUSHER INSTRUCTION MANUAL

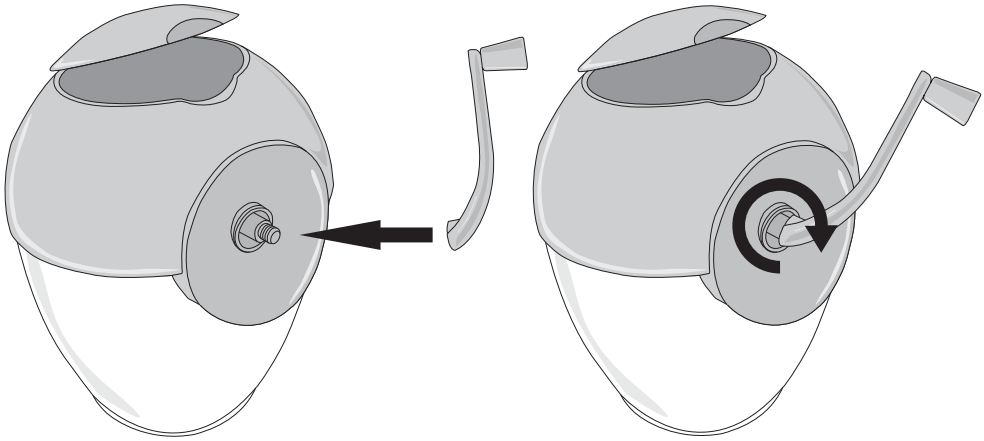

I. Contents:

II. Assembling:

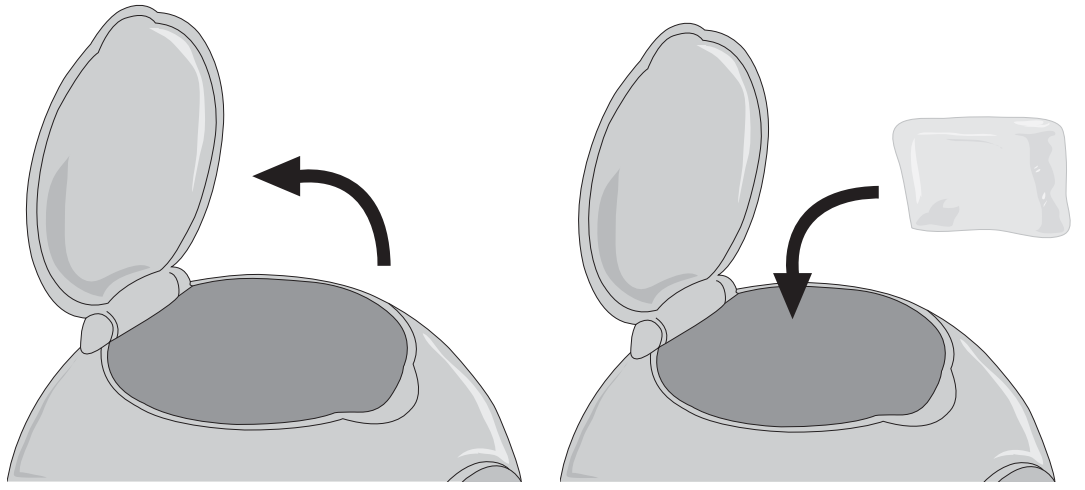

Place the crusher (A) onto the plastic container (B)

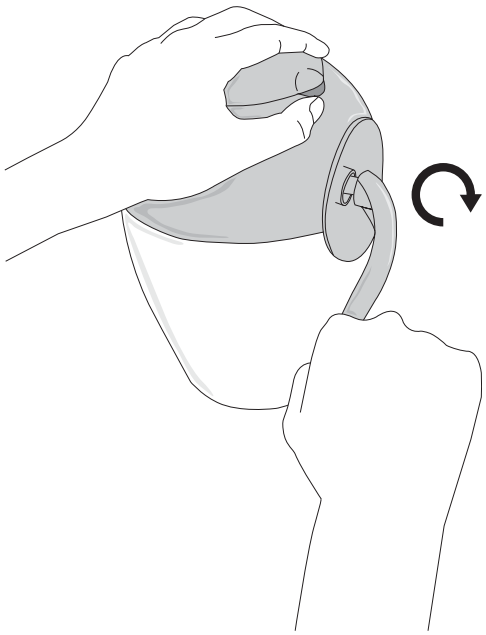

Attach the handle (C) to the main body (A) and turn it clockwise to secure. To detach the handle again, simply turn it anti-clockwise.

III. Usage:

Raise the lid (D) and place the ice inside the crusher.

Place the complete crusher (A+B+C) onto a flat surface. Close the lid (D) and place your left hand firmly on top of the crusher. Grab the handle (C) with your right hand and turn clockwise to start crushing the ice.

IV. Warning

- Keep fingers away from the blades inside the crusher (A).
- This crusher is strictly meant for crushing ice.
