Safety and Care Advice

Important – Please read these instructions fully before starting assembly

- Check you have all the components and tools listed on the following pages.
- Remove all fittings from the plastic bags and separate them into their groups.
- Keep children and animals away from the work area, small parts could choke if swallowed.
- Make sure you have enough space to layout the parts before starting.

- During assembly do not stand or put weight on the product, this could cause damage.
- Assemble the item as close to its final position (in the same room) as possible.
- Assemble on a soft level surface to avoid damaging the unit or your floor.
- Parts of the assembly will be easier with 2 people.

- To reduce the likelihood of damaging your product please ensure that your power drill is set on a low torque setting.

Care and maintenance

- Only clean using a damp cloth and mild detergent, do not use bleach or abrasive cleaners.
- From time to time check that there are no loose screws on this unit.
- This product should not be discarded with household waste. Take to your local authority waste disposal centre.

Handy Hints

- Regularly check and ensure that all bolts and fittings are tightend properly.

Glass safety

- Keep these instruction for future reference.
- Imported by:
Argos Ltd.

- If the glass is chipped or broken, stop using product and consult the Manufacturer or Supplier.
- Batch No. & Date of manufacturer: Please refer to the label stick on product back panel.
- Type of glass used: 5mm toughened glass

Warnings

- (a) Do not place very hot or very cold items on the glass surface(s) unless adequately thick table mats are used to prevent such items from coming into contact with the glass.
- (b) Do not sit or stand upon the glass surface(s).
- (c) Do not use the glass as a chopping surface. Do not strike the glass with hard or pointed items.
- (d) When cleaning glass panels use a damp cloth or leather with washing up liquid or soft soap if necessary, do not use washing powders or any other substance containing abrasives since these substances scratch glass.
