Issue 1 - 03/04/15

Safety and Care Advice

Important - Please read these instructions fully before starting assembly

- Check you have all the components and tools listed on the following pages.
- Remove all fittings from the plastic bags and separate them into their groups.
- Keep children and animals away from the work area, small parts could choke if swallowed.
- Make sure you have enough space to layout the parts before starting.
- During assembly do not stand or put weight on the product, this could cause damage.
- Assemble the item as close to its final position (in the same room) as possible.
- Assemble on a soft level surface to avoid damaging the unit or your floor.
- Parts of the assembly will be easier with 2 people.

- To reduce the likelihood of damaging your product please ensure that your power drill is set on a low torque setting.

Glue safety - Take care when using glue, please follow the advice below

Skin contact: Remove contamination by washing with soap and water. This procedure should also be followed prior to eating and drinking.

Eye contact: Rinse immediately with clean water for 15 minutes and seek medical advice.

If swallowed: Seek medical advice immediately.

Care and maintenance

- Only clean using a damp cloth and mild detergent, do not use bleach or abrasive cleaners.
- From time to time check that there are no loose screws on this unit.
- This product should not be discarded with household waste. Take to your local authority waste disposal centre.

Handy Hints

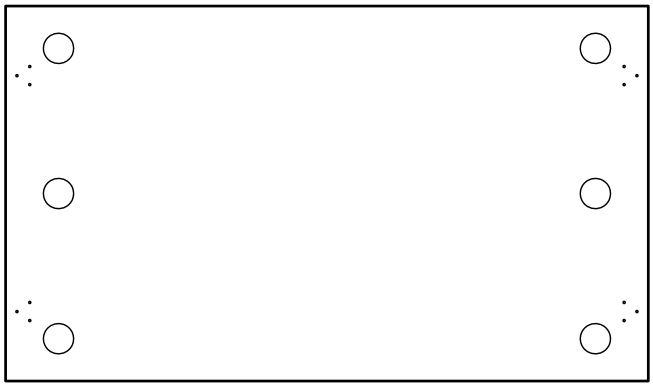

- Assemble all parts and bolts loosely during assembly, only once the product is complete should you fully tighten the bolts.
- Regularly check and ensure that all bolts and fittings are tightend properly.

Note: If required the next page can be cut out and used as reference throughout the assembly. Keep this page with these instructions for future reference.

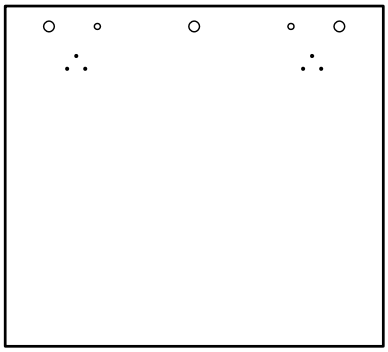

Components - Panels

If you have damaged or missing components, call the **Customer Helpline: 03456 400800**

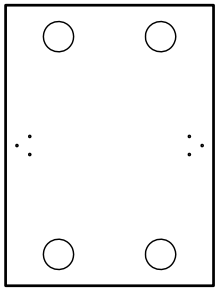

Please check you have all the panels listed below

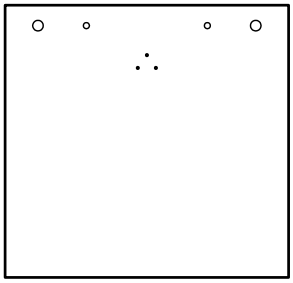

1 Big top panel (85 x 49.6cm)

2 Big side panel x2 (45 x 50cm)

3 Small top panel x2 (27.5 x 37.1cm)

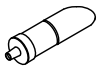

4 Small side panel x4 (36 x 37.5cm)

Components - Fittings

If you have damaged or missing components, call the **Customer Helpline: 03456 400800**

Please check you have all the fittings listed below

Note: The quantities below are the correct amount to complete the assembly. In some cases more fittings may be supplied than are required.

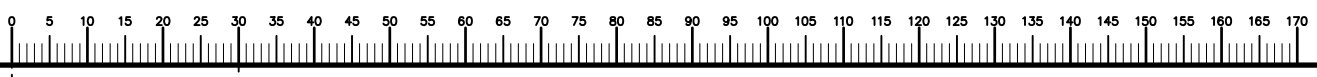

A 90mm bolt x 14	B  Half moon nut x 14	C  Hex nut x 14
D  Spanner x 1	E  Glue x 1	F  50mm Dowel x 12
G  L-iron x 8	H  15mm Screw x 48	

Tools required

Phillips screwdriver
(medium & large)

Ruler - Use this ruler to help correctly identify the screws

The screws length is measured from the head to the point (30mm screw shown).

Assembly Instructions

Step 1

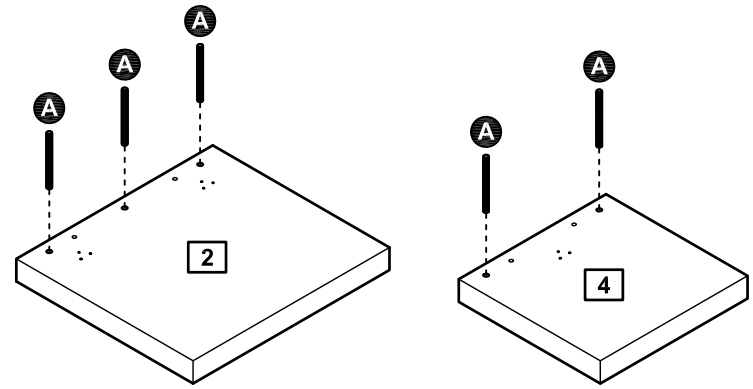

Fitting the fittings

a: Screw bolts (A) into side panels [2] and [4].

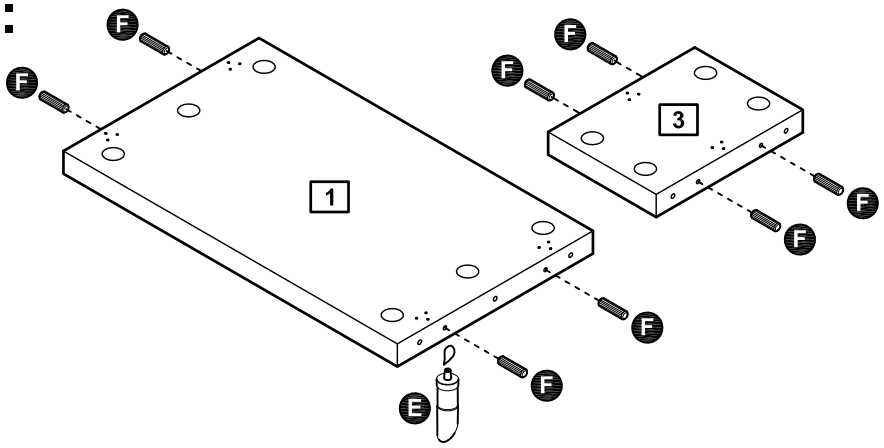

Caution:
Always check the assembly method is correct before applying glue.

b: Place a small amount of glue (E) into the dowel holes. Insert dowels (F) into top panel [1] and [3].

a:

b:

Step 2

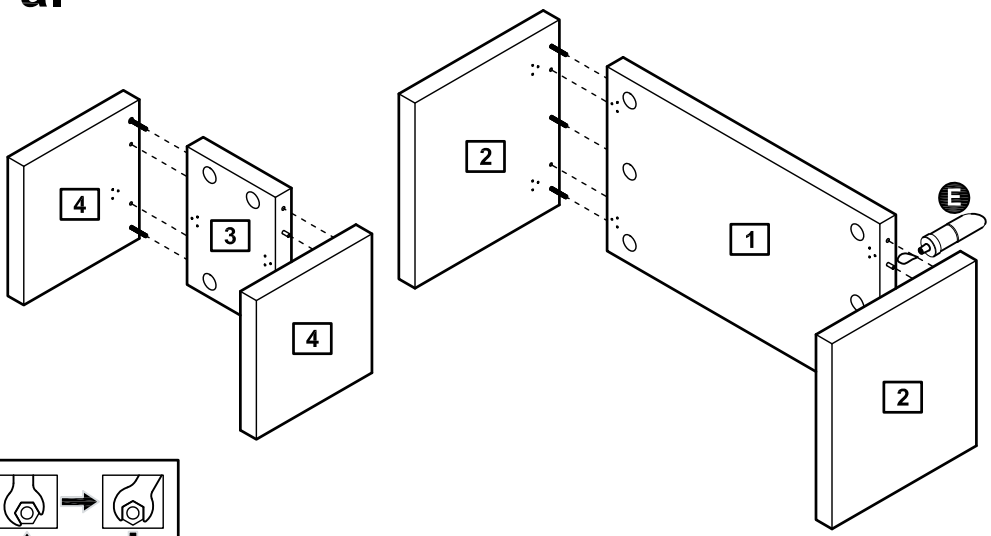

Finish the unit

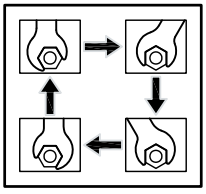

a: Place a small amount of glue (E) into the dowel holes. Attach side panels [2] onto top panel [1].

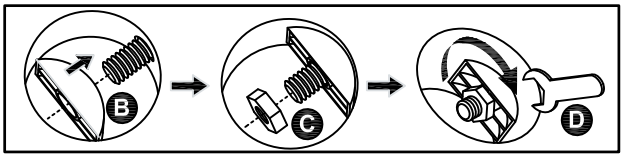

Attach side panels [4] onto top panels [3].

Insert half moon nuts (B) and hex nuts (C) into the holes on panels [1] and [3]. Tighten using the spanner (D).

a:

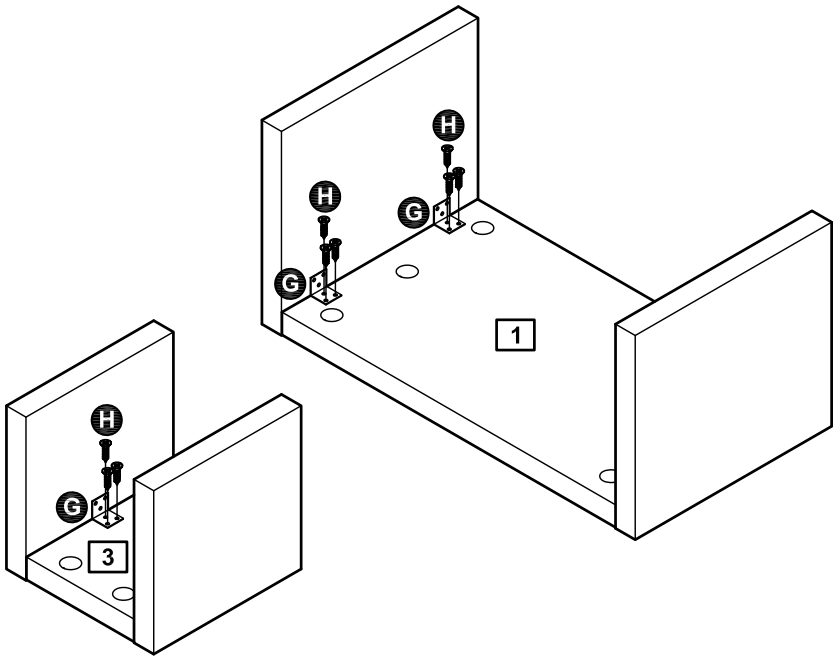

Step 2 - continued
