**Important – Please read these instructions fully before using**

Argos Limited, Avebury, 489-499 Avebury Boulevard, Saxon Gate West, Central Milton Keynes, MK9 2NW.

Contents: – Floor lamp

## Safety Information

**IMPORTANT – Please read these instructions fully before installation and keep for future reference**

This fitting is double insulated and must not be earthed. If in doubt, we recommend you consult a qualified electrician.

This product is supplied complete with a 3-amp fuse plug. Our products should not be modified. If any modification is made, including tampering with the plug, it will invalidate the warranty and may render the product unsafe.

**IMPORTANT** - Dispose of all packaging correctly and responsibly and in accordance with all local laws and regulations. Never leave packaging components within reach of children as they can be a source of danger..

**WARNING** - This product is not intended for use by persons (including children) with reduced physical, sensory and mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the product by persons responsible for their safety.

The symbol  on the product indicates that the lamp head must be at least 0.2m (20cm) from the lit surface.

**WARNING** - Children should be supervised to ensure that they do not play with the product.

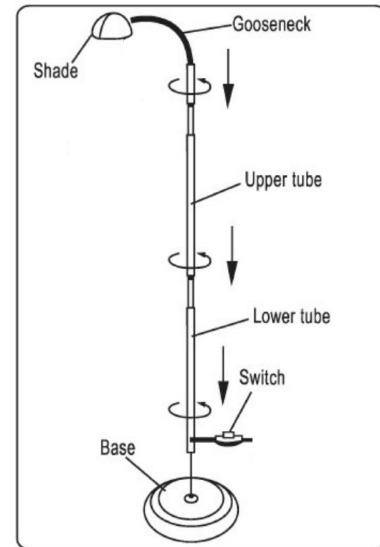

# Installation

## Installation

**IMPORTANT!**-The external flexible cable or cord of this luminaire cannot be replaced. If the cord is damaged, the luminaire shall be destroyed.

### Installation

1. Carefully remove all parts from their packaging.
2. Screw the gooseneck onto the upper tube. Pull the external flexible cable to its utmost. Screw the upper tube onto the lower tube. Screw the lower tube onto the base.(see the figure). Take care that excess cable does not become trapped or twisted when fixing tubes together.
- 3.Assembly is now complete, plug in to test. The lamp is turned on and off using the foot switch.
- 4.If the product fails to light, unplug before investigating.

**NOTE:**The external flexible cable or cord of this luminaire cannot be replaced. If the cord is damaged, the luminaire shall be destroyed.

# Maintenance

## Maintenance

**CAUTION!** Always disconnect power supply when servicing or cleaning.

### Cleaning

- Use a clean dry soft or slightly damp cloth.
- Do not use abrasive cloths or polishes as this may cause damage to the product.
