

# Find your right size.

Microsoft Band 2 comes in three sizes so you can choose the one that fits you best.

	Wrist circumference	
	Millimeters	Inches
Small	145 – 165	5.7 – 6.5
Medium	160 – 190	6.3 – 7.5
Large	185 – 215	7.3 – 8.5

Either, measure your wrist circumference with a tape measure, or follow the instructions to use the sizing guide on the right.

#### INSTRUCTIONS

1. Print document at 100% in portrait orientation.
2. Use a ruler to ensure that the line to the right measures precisely 8.5", or 215mm.
3. Cut out the sizing guide.
4. Use the sizing guide to measure your wrist circumference.
5. Reference the chart to find your size.
6. If your wrist circumference falls between two sizes, choose the larger size for the most comfortable fit.

Important: Microsoft Band 2 fits differently than previous versions.

This page must be printed at 100%. Ensure that printer settings are not set to shrink or fit to page. Use a ruler to confirm accuracy. Blue portions of sizing band represent the range in which the product fits.

This page must be printed at 100% in portrait orientation. Use a ruler to confirm that this line measures 215mm / 8.5"
