WARNINGS

The child's bed conforms to BS 8509:2008
All assembly fittings should always be tightened properly and checked periodically.
Children are likely to play, bounce, jump and climb on beds, therefore the childs bed should not be placed too close to other furniture or window, and should be placed either tight to any wall of have a gap 300mm between the wall and the side of the bed.
Any additional or replacements parts are to be obtained from the manufacturer or distributor.
The bed is not to be dismantled for transportation, storage etc.
WARNING. Do not place this child's bed near heat sources, windows and other furniture.
WARNING. Do not use this child's bed if any part is broken, torn or missing.
WARNING. Not suitable for children under 4 years.

Important - Please read these instructions fully before starting assembly

Issue 1-16/11-15

Important - Please read these instructions fully before starting assembly

- Check you have all the components and tools listed on the following pages.
- Remove all fittings from the plastic bags and separate them into their groups.
- Keep children and animals away from the work area, small parts could choke if swallowed.
- Make sure you have enough space to layout the parts before starting.
- During assembly do not stand or put weight on the product, this could cause demage.
- Assemble the item as close to its final position (in the same room) as possible.
- Assemble on a soft level surface to avoid damaging the unit or your floor.
- Parts of the assembly will be easier with 2 people.

- To reduce the likelihood of damaging your product please ensure that your power drill is set on a low torque setting.
- Improper use of elecrical tools will crack the components.
- Dispose of all packaging carefully and responsibly.

Care and maintenance

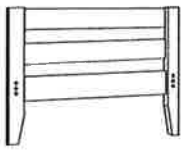

- Only clean using a damp cloth and mild detergent, do no use bleach or abrasive cleaners.
- From time to time check that there are no loose screws on this unit.
- This product should not be discarded with household waste. Take to your local authority waste disposal centre.

Handy Hints

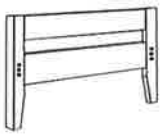

- Assemble all parts and bolts loosely during assembly, only once the product is complete should you fully tighten the bolts.
- Regularly check and ensure that all bolts and fittings are tightend properly.

***Note** : if requires the next page can be cut out and used as reference throughout the assembly. Keep this page with these instructions for future reference.*
