

Easy storage at super speed

Canvio Ready

Toshiba's Canvio Ready external hard drive is a safe place for all your files. Fast USB 3.0 connectivity supports a transfer speed of up to 5 Gbit/s, and with plug-and-play technology, you're able to quickly save and secure your documents, media, and backups to take anywhere in a compact and discreet black device. And once your transfer is complete, you can rest assured that your files are safe – the Canvio Ready includes ramp load technology that prevents the hard drive's slider from damaging the disk while mobile, as well as a shock sensor. Overall, the Canvio Ready offers secure storage for all your media, with models available in capacities up to 3 TB that are compatible with Windows® and can be reformatted for Macs.

A place for all your files

The Canvio Ready is available in a range of different storage sizes up to 3 TB.

USB 3.0
