

インナーイヤーヘッドホン
In-ear headphones

その音をあるがままに。 Since 1946.

Pure Sound. Since 1946.

The E300 offers an uncompromising in-ear headphones listening experience with astounding vocal clarity and balanced bass. Its compact and ergonomic in-ear design makes it easy to take with you for long listening comfort everywhere.

Feature highlights

Semi-closed acoustic architecture with custom designed $\Phi 8.6$ mm high power driver

Sturdy aluminium housing provides a rigid metal cabinet to eliminate unwanted vibrations

Ergonomically shaped silicone caps in 3 sizes to ensure comfortable fit

Twisted tangle-free cable

Pure precision

The Onkyo sound signature is clean, clear and precise. The E300's 8.6mm high power driver is tuned to give you clear, detailed and natural sound. To maintain audio purity, the headphone housing has been built to eliminate unwanted vibrations. Engineered for precision and performance.

Comfort and craftsmanship

A sturdy aluminium housing and a sophisticated front housing design provides long-wearing comfort and durability. Ergonomically shaped silicone caps come in 3 sizes to provide adjustment for the best fit for both sound and comfort.
