IMPORTANT SAFETY INSTRUCTIONS

SAVE THESE INSTRUCTIONS

When using an electrical appliance, basic precautions should always be followed, including the following:
READ ALL INSTRUCTIONS BEFORE USING THIS APPLIANCE.

WARNING: TO REDUCE THE RISK OF FIRE, ELECTRIC SHOCK OR INJURY:

This canister vacuum is intended for household use only. If used commercially, warranty is VOID.

- Fully assemble before operating.
- Operate cleaner only at voltage specified on data plate on the bottom of the cleaner.
- Do not leave appliance unattended when plugged in. Unplug from outlet when not in use and before servicing.
- Do not use outdoors or on wet surfaces.
- Do not allow to be used as a toy. Close attention is necessary when used by or near children.
- Use only as described in this manual. Use only manufacturer's recommended attachments.
- Do not use with damaged cord or plug. If appliance is not working as it should, has been dropped, damaged, left outdoors, or dropped into water, return it to a service center or call customer service at 0845 603 0153
- Do not pull or carry by cord, use cord as a handle, close door on cord, or pull cord around sharp edges or corners. Do not place product on cord. Do not run appliance over cord. Keep cord away from heated surfaces.
- Do not unplug by pulling on cord. To unplug, grasp the plug, not the cord.
- This appliance can be used by children aged from 8 years and above and persons with reduced physical sensory or mental capabilities or lack of experience and knowledge if they have been given supervision or instruction concerning use of the appliance in a safe way and understand the hazards involved. Children shall not play with the appliance. Cleaning and user maintenance shall not be made by children without supervision.

- Do not handle plug or appliance with wet hands.
- Do not put any object into openings. Do not use with any opening blocked; keep free of dust, lint, hair and anything that may reduce air flow.
- Do not use to pick up flammable or combustible liquids, such as gasoline or lighter fluid, or use in areas where they may be present.
- Keep hair, loose clothing, fingers and all parts of body away from openings and moving parts.
- Do not use to pick up anything that is burning or smoking, such as cigarettes, matches, or hot ashes.
- Do not use without dust bag and filter in place.
- Turn off all controls before unplugging.
- Use extra care when cleaning on stairs.
- Do not use sharp objects to clean out hose as they can cause damage.

PLEASE KEEP INSTRUCTIONS FOR FURTHER USE.

THERMAL PROTECTION

A thermal protector has been designed into your cleaner to protect it from over heating. When the thermal protector activates the cleaner will stop running. If this happens proceed as follows: **1.** Turn cleaner OFF and unplug it from the electrical outlet. **2.** Check fullness of bag, change if needed. **3.** Inspect the hose or accessory for any obstructions. Clear obstructions if present. **4.** When cleaner is unplugged and motor cools for 30 minutes, the thermal protector will deactivate and cleaning may continue. If the thermal protector continues to activate after following the above steps, your cleaner needs servicing.

5. WARRANTY

Techtronic Floor Care Technology gives you the following limited warranty for this product only if it was originally purchased for residential use, not for resale, from Oreck® or an Oreck® Authorized Retailer.

Oreck® will repair or replace, free of charge, to the original purchaser, any part that is found to be defective in material or workmanship within three (3) years following the date of purchase for all residential models. NOTE: If the unit is used commercially, warranty is void. This limited warranty does not cover the replacement of expendable or consumable parts such as filters, cartridges, and other parts subject to normal wear unless they are defective in material or workmanship.

This limited warranty does not apply to any part subjected to accident, abuse, commercial use, alteration, misuse, damage caused by an act of God, the use of voltages other than on the data plate of this product or service of this product by other than Oreck® or a participating Factory Authorized Service Center.

Oreck® does not authorize any person or representative to assume or grant any other warranty obligation with the sale of this product.

Oreck®'s limited warranty is valid only if you retain proof of purchase from Oreck® or an Oreck® Authorized Retail Dealer for this product. If you purchase this product from any other source, your purchase is "AS IS," which means Oreck® grants you no warranty, and that you, not Oreck®, assume the entire risk of the quality and performance of this product, including the entire cost of any necessary servicing or repairs of any defects.

Oreck®'s liability for damages to you for any costs whatsoever arising out of this statement of limited warranty shall be limited to the amount paid for this product at the time of original purchase, and Oreck® shall not be liable for any direct, indirect, consequential or incidental damages arising out of the use or inability to use this product. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

ALL EXPRESS AND IMPLIED WARRANTIES OTHER THAN THE LIMITED WARRANTY SET FORTH ABOVE, FOR THIS PRODUCT, INCLUDING IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE EXPRESSLY DENIED.

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.
