## Safety and Care Advice

### Important – Please read these instructions fully before starting assembly

- Check you have all the components and tools listed on pages 2 and 3.
- Remove all fittings from the plastic bags and separate them into their groups.
- Keep children and animals away from the work area, small parts could choke if swallowed.
- Make sure you have enough space to layout the parts before starting.

- Do not stand or put weight on the product during assembly, this could cause damage.
- Assemble the item as close to its final position (in the same room) as possible.
- Assemble on a soft level surface to avoid damaging the unit or your floor.
- Parts of the assembly will be easier with 2 people.

- We do not recommend the use of power drill/drivers **for inserting screws**, as this could damage the unit. Only use hand screwdrivers.
- Dispose of all packaging carefully and responsibly.

### Care and maintenance

- From time to time check that there are no loose screws on this unit.
- To avoid any risk of suffocation to animals or children dispose of the plastic bags immediately .
- As with all surfaces clean with a damp cloth and mild detergent, do not use bleach or abrasive products.
- This product should not be discarded with household waste. Take to your local authority waste disposal centre.

### Safety during use

- Do not stand on this chair. Do not use this chair as a step ladder .
- Use this product only for seating one person at a time.
- Do not use this chair unless all bolts,screws and knobs are firmly secured.
- At least every 4 months, check all bolts, screws and knobs , to be sure they are tight .
- If parts are missing, broken or damaged or worn, stop use of this product until repairs are made & using factory authorized parts .
- Failure to follow these warnings could result in serious injury.
