

UE | MEGABOOM

The portable wireless speaker on steroids.

- Freakishly amazing sound
- Musical mayhem on the go
- Designed for the next adventure
- In control with the app
- The speaker of tomorrow

UE MEGABOOM is a portable wireless speaker on steroids. Blast freakishly amazing 360-degree sound with deep, heart-pounding bass, everywhere you go. It has a waterproof (IPX7) grab n' go shape that is shockingly light – 887 g (1.9 pounds). Take advantage of its 20-hour battery life and 30-m wireless range* to start a rager wherever, whenever you need. Download the UE MEGABOOM app and unlock an expanding set of cool additional features like our musical alarm, fully customisable 5-band EQ and remote on/off controls. And through regular speaker updates, UE MEGABOOM will continue to get better. Think of it as a living, learning speaker. The freakishly good speaker of today and tomorrow.
