HEAT

Instruction Manual

PA-MHA-GB

2 year
guarantee

READ ALL INSTRUCTIONS BEFORE USE. SAVE THESE INSTRUCTIONS FOR FUTURE REFERENCE.

IMPORTANT SAFEGUARDS:

WHEN USING ELECTRICAL PRODUCTS, ESPECIALLY WHEN CHILDREN ARE PRESENT, BASIC SAFETY PRECAUTIONS SHOULD ALWAYS BE FOLLOWED, INCLUDING THE FOLLOWING:

- ALWAYS unplug the appliance from the electrical outlet immediately after using and before cleaning. To disconnect, turn all controls to the 'OFF' position, then remove plug from outlet.
- NEVER leave an appliance unattended when plugged in. Unplug from the mains outlet when not in use and before putting on or taking off parts or attachments.
- This appliance can be used by children aged from 8 years and above and persons with reduced physical, sensory or mental capabilities or lack of experience and knowledge if they have been given supervision or instruction concerning use of the appliance in a safe way and understand the hazards involved. Children shall not play with the appliance. Cleaning and user maintenance shall not be made by children without supervision. .
- DO NOT reach for an appliance that has fallen in water or other liquids. Switch off at the mains and unplug it immediately. Keep dry – DO NOT operate in wet or moist conditions.
- NEVER insert pins or other metallic fasteners into the appliance.
- Use this appliance for the intended use as described in this booklet. DO NOT use attachments not recommended by HoMedics.
- NEVER operate the appliance if it has a damaged cord or plug, if it is not working properly, if it has been dropped or damaged, or dropped into water. Return it to the HoMedics Service Centre for examination and repair.
- Keep cord away from heated surfaces.
- Excessive use could lead to the product's excessive heating and shorter life. Should this occur, discontinue use and allow the unit to cool before operating.
- NEVER drop or insert any object into any opening.
- DO NOT operate where aerosol (spray) products are being used or where oxygen is being administered.
- DO NOT operate under a blanket or pillow. Excessive heating can occur and cause fire, electrocution or injury to persons.
- DO NOT carry this appliance by the cord or use cord as a handle.
- DO NOT use outdoors.
- This product requires a 220-240V AC power.
- DO NOT attempt to repair the appliance. There are no user serviceable parts. For service, send to a HoMedics Service Centre. All servicing of this appliance must be performed by authorised HoMedics service personnel only.
- Never block the air openings of the appliance or place it on a soft surface, such as a bed or couch. Keep air openings free of lint, hair etc.
- Do not place or store appliance where it can fall or be pulled into a bath or sink. Do not place in or drop into water or other liquid.

SAFETY CAUTIONS:

PLEASE READ THIS SECTION CAREFULLY BEFORE USING THE APPLIANCE.

- **If you have any concerns regarding your health, consult a doctor before using this appliance.**
- Individuals with pacemakers and pregnant women should consult a doctor before using this appliance. Not recommended for use by Diabetics
- DO NOT use on an infant, invalid or on a sleeping or unconscious person. DO NOT use on insensitive skin or on a person with poor blood circulation.
- This appliance should NEVER be used by any individual suffering from any physical ailment that would limit the user's capacity to operate the controls or who has sensory deficiencies in the lower half of their body.
- NEVER use directly on swollen or inflamed areas or skin eruptions.
- The appliance has a heated surface. Persons insensitive to heat must be careful when using the appliance. (Do not use with a helpless person, an infant or a person insensitive to heat.)
- If you feel any discomfort whilst using this appliance, discontinue use and consult your doctor.
- This is a non-professional appliance, designed for personal use and intended to provide a soothing massage to worn muscles. DO NOT use as a substitute for medical attention.
- DO NOT use before going to bed. The massage has a stimulating effect and can delay sleep.
- Do not use for longer than the recommended time.
- Care should be taken when using heated surfaces. If the product feels excessively hot, switch off at mains and contact the HoMedics Service Centre.
- Do not use the heat continuously for more than 15 minutes.
- Never massage the same spot longer than 3 minutes.
- Never use this appliance on or near eyes or other highly sensitive areas.

WEEE explanation

 This marking indicates that this product should not be disposed with other household wastes throughout the EU. To prevent possible harm to the environment or human health from uncontrolled waste disposal, recycle it responsibly to promote the sustainable reuse of material resources. To return your used device, please use the return and collection systems or contact the retailer where the product was purchased. They can take this product for environmental safe recycling.

PRODUCT FEATURES:

INSTRUCTIONS FOR USE:

1. Connect the small plug from power adaptor lead to the socket at the end of the product's lead.
2. Always make sure the unit is set to the "off" position before inserting the adaptor plug into a 220-240V electrical outlet.
3. Slide the power button upwards to start the massage. Slide up one position for low intensity setting (LOW) and two positions for the high intensity setting (HIGH).
4. To turn the heat function on, slide the heat button up to reveal the red ❧ symbol. To turn off the heat function, slide the heat button down to show the ❧ symbol.
NOTE: The heat function works best when the attachments are removed and the red heat nodes are exposed.
5. Apply massager head lightly to the area you wish to massage.
6. Move the unit slowly, holding on the targeted area. Massage the area for a short period of time and move to another area.
7. Operation of longer than 15 minutes is not recommended and may cause overheating.
8. When massage is completed, turn unit off, unplug the power supply, allow to cool and store properly in a dry place.

To Change Attachments

Your massager comes equipped with four custom massage head attachments.

Dark Grey – Soft massage

Red – Heat massage

To change to a different set, simply twist off (counterclockwise) the set that is on the unit, press in and twist on (clockwise) the desired set.

MAINTENANCE:

Cleaning

Unplug the appliance and allow to cool before cleaning. Clean only with a soft, slightly damp sponge.

- Never allow water or any other liquids to come into contact with the appliance.
- Do not immerse in any liquid to clean.
- Never use abrasive cleaners, brushes, glass / furniture polish, paint thinner etc to clean.

Storage

Unplug the appliance from the outlet, and allow it to cool before storing in its box or a clean, dry place. Coil the cord and secure it with the supplied fastener. Do not hang the unit by the powercord.

TWO YEAR GUARANTEE

HoMedics Inc. guarantees this product from defect in material and workmanship for a period of 2 years from the date of purchase, except as noted below. This HoMedics product guarantee does not cover damage caused by misuse or abuse; accident; the attachment of any unauthorised accessory; alteration to the product; or any other conditions whatsoever that are beyond the control of HoMedics. This guarantee is effective only if the product is purchased and operated in the UK / EU. A product that requires modification or adaptation to enable it to operate in any country other than the country for which it was designed, manufactured, approved and / or authorised, or repair of products damaged by these modifications is not covered under this guarantee. HoMedics shall not be responsible for any type of incidental, consequential or special damages.

To obtain guarantee service on your product, return the product post-paid to your local service centre along with your dated sales receipt (as proof of purchase). Please refer to 'HoMedics Service Centre' information leaflet for details of your local service centre. Upon receipt, HoMedics will repair or replace, as appropriate, your product and return it to you, post-paid. Guarantee is solely through HoMedics Service Centre. Service of this product by anyone other than the HoMedics Service Centre voids the guarantee.

This guarantee does not affect your statutory rights.
