Safety and care advice

Important - Please read these instructions fully before starting assembly

- Check you have all the components and tools listed on page 3 and 4 .
- Remove all fittings from the plastic bags and separate them into their groups.
- Keep children and animals away from the work area, small parts could choke if swallowed.
- Make sure you have enough space to layout the parts before starting.
- Do not stand or put weight on the panels during assembly, this could cause damage.
- Assemble the unit as close to its final position (in the same room) as possible.
- Assemble on a soft level surface to avoid damaging the unit or your floor.
- Parts of the assembly will be easier with 2 people.
- If using power tools, please follow the safety instructions supplied with the tools.

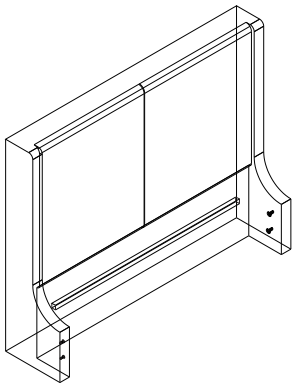

- We do not recommend the use of power drill/ drivers ***for inserting screws,*** as this could damage the unit. Only use hand screwdrivers.
- Dispose of all packaging carefully and responsibly.

Care and maintenance

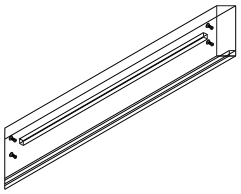

- Only clean using a damp cloth and mild detergent, do no use bleach or abrasive cleaners.
- From time to time check that there are no loose screws on this unit.
- This product should not be discarded with household waste. Take to your local authority waste disposal centre.
