FAQ\_1

How do I programme my Sky remote to work with my TV?

How do I set the time?

Resolution\_1

Please visit the following link which will guide you through the process and establish the code for your TV - <http://www.fox.com>

Pull out the watch winder on the right hand side of the case, this should make the hands stop. Then proceed to

FAQ\_2

I have a picture but no sound?

How do I register for my 2 year manufacturers guarantee?

Resolution\_2

Check all connections are fully inserted on both your television and your viewing source (i.e your Sky box). If th

You do not have to register for the watch guarantee, instead ensure you keep hold of your guarantee booklet a

If the issue persists, please contact us using the details on the right hand side of this page.

and proof of purchase, i.e. your receipt.
