VILLAGE SET

MAGFORMERS MODEL BOOKLET

MAGFORMERS INC.

Magformers Village Set

Magformers Village Set allows children to make different buildings in the Magformers Village. From the famous clock tower in the village to the bakery with the smell of freshly baked bread! Have fun making buildings in different shapes while understanding building structures with photos taken from different directions.

02 How to Use Accessories

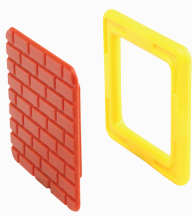

Accessories can be combined with Magformers squares and rectangles, as shown below.

Power Button

Turn on the lamp with the power button below. If it doesn't light up, please change the battery in the back.

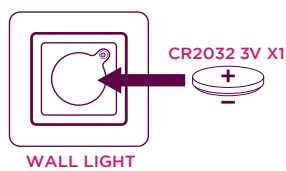

Brick + Square

Combine different accessories with the Magformers models to create a pretty house as shown above.

Warnings for LED (This must be read by a guardian of the child).

- Please do not look directly at the light of the LED for an extended period of time to protect your vision.
- The internal parts may have problems when damaged due to the characteristics of the LED product, please be careful not to impact the product.
- Do not impose any excessive shock or force on the product, including throwing it at a person or hitting a person.
- Do not stand on the product.
- Please make sure to turn off after use. (No light means the status is 'off'.)
- Do not disassemble.
- Do not throw, drop, or place in water.
- If the lamp does not light up, please change the battery.

The Magformers **Bakery**, where you can smell freshly baked bread every morning~!

Battery Warnings

- If putting a battery in it or using it mistakenly, overheating, rupture and lachrymal fluid could be caused.
- When lachrymal fluid oozes out, never touch it with hands.
- When the fluid which comes out from the battery is stained with the skin or the clothes and gets into the eye, counsel with the doctor immediately.
- Do not mix old and new batteries.
- Do not mix alkaline, carbon-zinc, mercury, lithium or rechargeable(nickel-cadmium) batteries.
- Turn off the power when not in use.
- After playing, turn off the power without fail and keep it separate from others.
- Separate the used battery safely.

How to remove and insert replaceable batteries.

- Remove screws and place in the correct position as displayed inside.
- Non-rechargeable batteries are not to be recharged.
- Rechargeable batteries are to be removed from the toy before being charged.
- Rechargeable batteries are only to be charged under adult supervision.
- Batteries are to be inserted with the correct polarity.
- Exhausted batteries are to be removed from the toy.
- The supply terminals are not to be short-circuited.
