G230 Stereo Gaming Headset

Comfortable gaming audio and communications, simplified.

- Game-quality stereo sound
- Sports performance cloth ear cups
- Lightweight design
- Folding, noise-cancelling mic
- On-cable controls

G230 Stereo Gaming Headset delivers high-quality stereo audio in a lightweight design. Crisp, clear chat comes from a noise-cancelling mic that folds away when not in use. And in-line volume and mute controls are in easy reach on the 3-metre cable. The sports performance cloth ear cups mean a soft, comfortable fit even after hours of use. They slip off easily for washing to keep the headset in top shape. You might forget you're wearing a headset.

SCIENCE WINS.
