Issue 1 - 28/04/14

Safety and Care Advice

Important - Please read these instructions fully before starting assembly

• Check you have all the components and tools listed on the following pages.

• Remove all fittings from the plastic bags and separate them into their groups.

• Keep children and animals away from the work area, small parts could choke if swallowed.

• Make sure you have enough space to layout the parts before starting.

• Parts of the assembly will be easier with 2 people.

• During assembly do not stand or put weight on the product, this could cause damage.

• Assemble the item as close to its final position (in the same room) as possible.

• Assemble on a soft level surface to avoid damaging the unit or your floor.

• Do not stand on the stool.

• Do not use this stool as step ladder.

• To reduce the likelihood of damaging your product please ensure that your power drill is set on a low torque setting.

• Unit weight: 7.68 kgs.

• Maximum safe weight of user: 110kgs.

Care and maintenance

• Only clean using a damp cloth and mild detergent, do no use bleach or abrasive cleaners.

• From time to time check that there are no loose screws on this unit.

• This product should not be discarded with household waste. Take to your local authority waste disposal centre.

Handy Hints

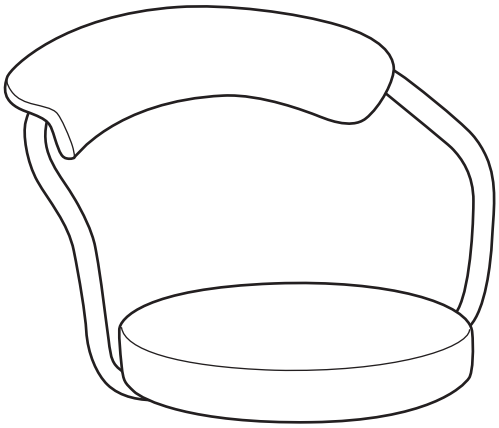

• Assemble all parts and bolts loosely during assembly, only once the product is complete should you fully tighten the bolts.

• Regularly check and ensure that all bolts and fittings are tightend properly.

A 	**B** 	**C** 
M6 x 16mm Bolt x 4	Washer x 4	Allen key x 1

Ruler - Use this ruler to help correctly identify the screws

Assembly Instructions

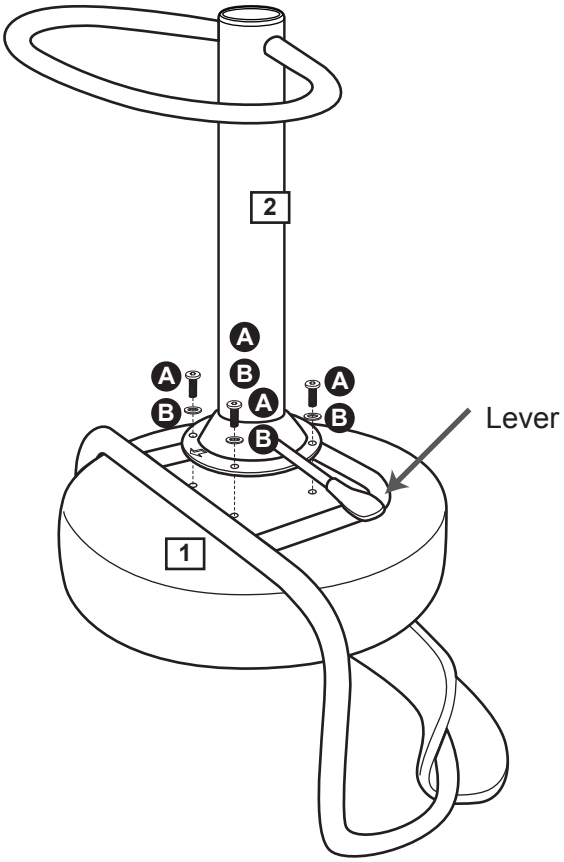

Step 1

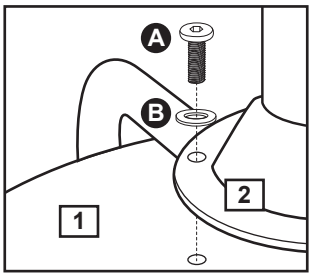

Attaching upper leg

Place the seat 1 upside down on a raised, flat and protected surface.

Position the upper leg 2 and make sure that the lever is at your right hand side as shown in the diagram.

Secure using bolts A and tighten bolts using allen key B.

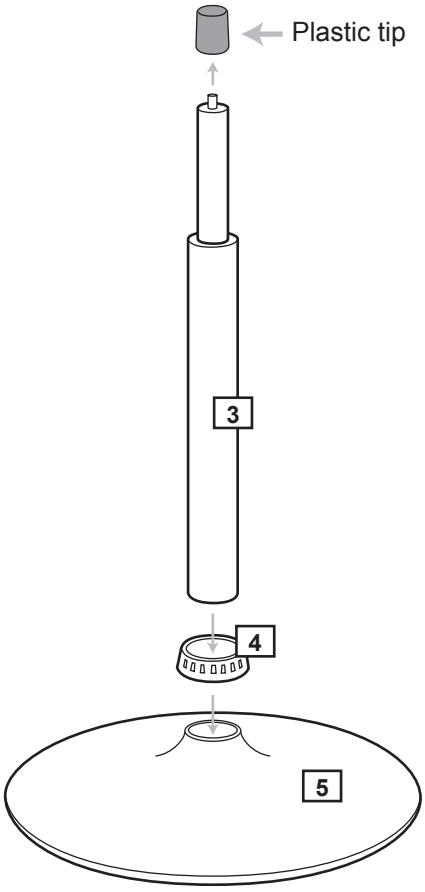

Step 2

Attaching gas lift

Place the base 5 on a flat protected surface. Position the decor ring 4 on the base and insert the gas lift 3 into the decor ring and hole of the base.

Important:
Remove plastic tip cover on gas lift before assembling.

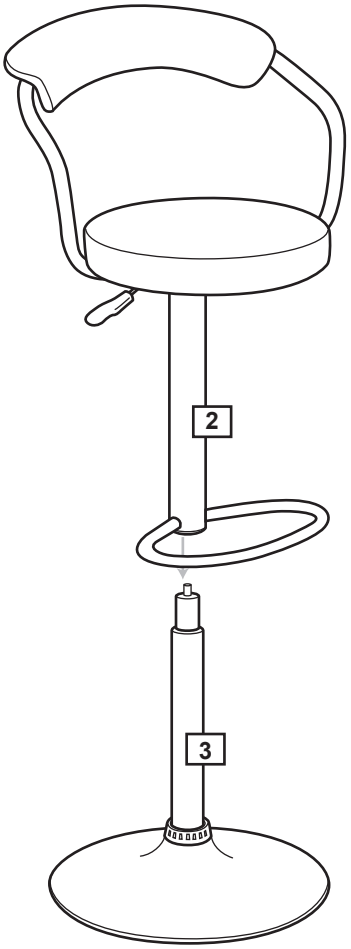

Assembly Instructions

Step 3

Attaching the seat

Position the seat as shown and insert the gas lift [3] into the upper leg [2]. Secure by pressing down the seat firmly.

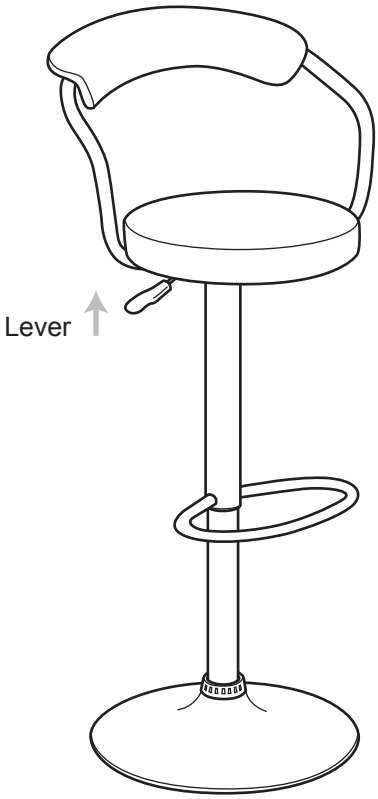

Step 4

Gaslift operation

To adjust the seat higher, lift up the lever under the seat and release at desired height.

To lower the seat, lift up the lever while seated on the stool.

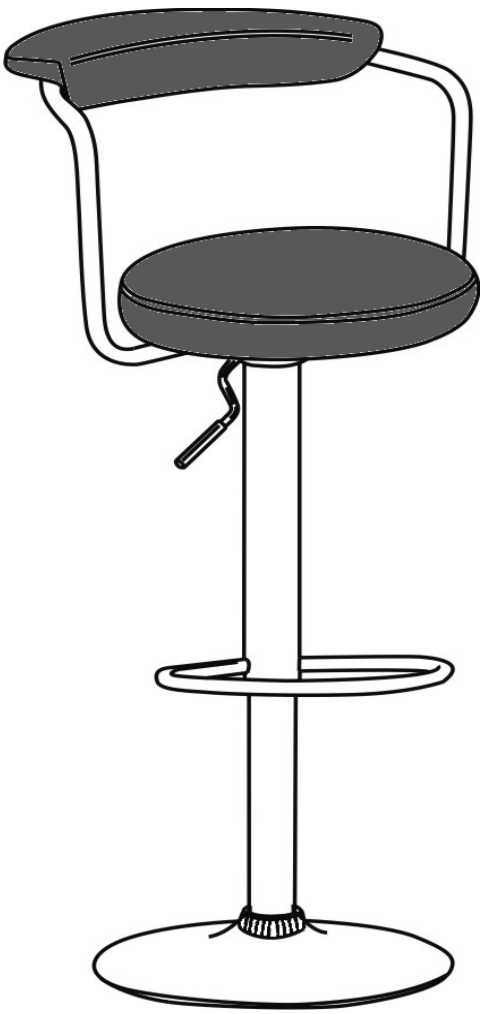

Assembly is complete.

Safety and Care Advice

Important – Please read these instructions fully before starting assembly

- Check you have all the components and tools listed on page 2.
- Remove all fittings from the plastic bags and separate them into their groups.
- Keep children and animals away from the work area, small parts could choke if swallowed.
- Make sure you have enough space to layout the parts before starting.
- Do not stand or put weight on the product during assembly, this could cause damage.
- Assemble the item as close to its final position (in the same room) as possible.
- Assemble on a soft level surface to avoid damaging the unit or your floor.
- Parts of the assembly will be easier with 2 people.

- We do not recommend the use of power drill/drivers ***for inserting screws***, as this could damage the unit. Only use hand screwdrivers.
- Dispose of all packaging carefully and responsibly.

Care and maintenance

- From time to time check that there are no loose screws on this unit.
- This product should not be discarded with household waste. Take to your local authority waste disposal centre.
- To avoid any risk of suffocation to animals or children dispose of the plastic bags immediately.
- As with all surfaces clean with a damp cloth and mild detergent, do not use bleach or abrasive products.

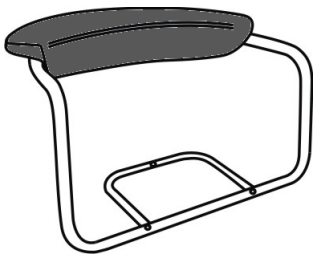

Safety during use

- Do not stand on this chair. Do not use this chair as a step ladder.
- At least every 4 months, check all bolts, screws and knobs, to be sure they are tight.
- Use this product only for seating one person at a time.
- If parts are missing, broken or damaged or worn, stop use of this product until repairs are made & using factory authorized parts.
- Do not use this chair unless all bolts,screws and knobs are firmly secured.
- Failure to follow these warnings could result in serious injury.

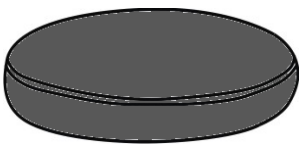

Note: if required the next page can be cut out and used as reference throughout the assembly. Keep this page with these instructions for future reference.
