

# Wooden Bar Stool

Assembly Instructions - Please keep for future reference

600/5779

## Dimensions

Width - 30.5cm

Depth - 30.5cm

Height - 59.5cm

**Important** - Please read these instructions fully before starting assembly

If you need help or have damaged or missing parts, call the **Customer Helpline: 08456 400800**

# Safety and Care Advice

**Important** - Please read these instructions fully before starting assembly

- Check you have all the components and tools listed on pages 2 and 3.
- Remove all fittings from the plastic bags and separate them into their groups.
- Keep children and animals away from the work area, small parts could choke if swallowed.
- Make sure you have enough space to layout the parts before starting.

- Do not stand or put weight on the product, this could cause damage.
- Assemble the item as close to its final position (in the same room) as possible.
- Assemble on a soft level surface to avoid damaging the unit or your floor.
- Parts of the assembly will be easier with 2 people.

• We do not recommend the use of power drill/drivers **for inserting screws**, as this could damage the unit. Only use hand screwdrivers.

- Dispose of all packaging carefully and responsibly.
- The maximum safe weight of user: 110kg.

## Care and maintenance

- Only clean using a damp cloth and mild detergent, do not use bleach or abrasive cleaners.
- From time to time check that there are no loose screws on this unit.
- This product should not be discarded with household waste. Take to your local authority waste disposal centre.

**Note:** if required the next page can be cut out and used as reference throughout the assembly. Keep this page with these instructions for future reference.
