Safety and Care Advice

Important – Please read these instructions fully before starting assembly

• Read these instructions carefully and familiarise yourself with the procedure before assembling the unit.

• Check that you have all the component parts following the list on the back cover and familiarise yourself with each part before proceeding.

• Take all the fittings out of the plastic bag and separate them into their groups.

• Ensure you have enough space to lay out all the parts before assembly.

• To avoid scratching it is recommended that you assemble the unit on a soft level surface.

• Keep children and animals away from the work area,small parts could choke if swallowed.

• This product is manufactured from toughened safety glass.In the unlikely event that the glass fails it will break into a large number of small fragments that may be spread over a wide area.

• This is a feature of toughened glass,designed to remove the risk of injure from glass breaking into large shards.

• If the glass is chipped or broken,replace with the same type of glass.Consult the furniture retailer or agent with regard to obtaining a manufacturing specification of the shape for replacement glass quoting the model numbers,and batch number or date of manufacture of this items.

• It would be useful to ask someone to help you during assembly.

• To use a parasol with this table,please remove the plastic centre plug and put the parasol pole through the table top and centre connector ring,a weighted parasol base must be used.

• Dispose of all packing carefully and responsibly.

• Do not place very hot or cold items against or in close proximity to glass surface unless an adequately thick insulating material is used to prevent such items from coming into contact with the glass.

• Do not strike the glass with hand or pointed items.

• Do not sit or stand on the glass surface,as this would be hazardous.

• Do not over-tighten as this may damage the glass.

• ***Warning:*** The unit weights approximately 29.0 kgs.

Please lift with care.

Care and maintenance

• To avoid any risk of suffocation to animals or children dispose of the plastic bags immediately.

• As with all surface clean with a damp cloth and mild detergent, rinse thoroughly dry frame completely,do not use bleach or abrasive products.

• In order to prolong the life and beauty of your table, we recommend the use of furniture covers and store in a dry and secure area when not in use.

• When moving the table,remove the parasol and lift the table,do not drag.

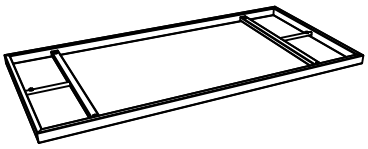

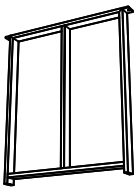

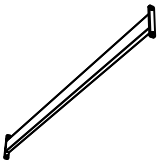

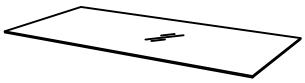

• From time to time please ensure there are no loose screws on the product.
