Safety and Care Advice

Important Please read these instructions fully before starting assembly

- This product is manufactured from toughened safety glass. In the unlikely event that the glass fails it will break in to a large number of small fragments that may be spread over a wide area. This is a feature of toughened glass, designed to remove the risk of injure from glass breaking into large shards.
- If the glass is chipped or broken, stop using the product and consult the manufacture or supplier.
- Check you have all the components and tools listed on page 2.
- Remove all fittings from the plastic bags and separate them into their groups.
- Keep children and animals away from the work area, small parts could choke if swallowed.
- Make sure you have enough space to layout the parts before starting.
- Do not stand or put weight on the parts during assembly, this could cause damage.
- Assemble on a soft level surface to avoid damaging the unit or your floor.
- Dispose of all packing carefully and responsibly.
- Do not sit or stand upon horizontal glass surface.
- Do not place very hot or very cold items on the glass unless adequately thick tablemats are used to prevent such items from coming into contact with the glass.
- ***Warning:*** The unit weights approximately 62kgs.

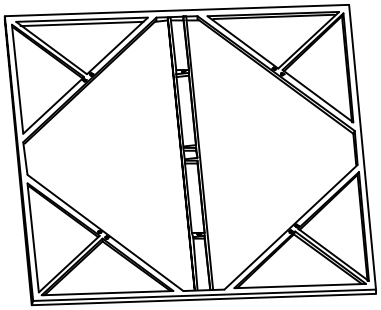

Please lift with care.

Care and maintenance

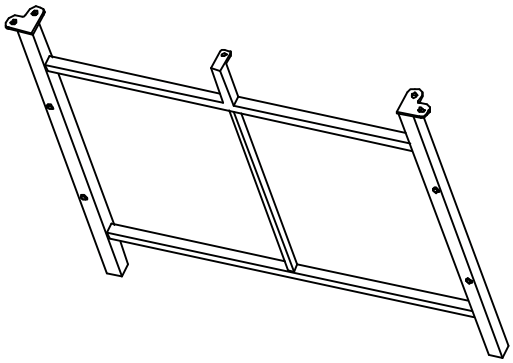

- Wash frame parts with mild soap and water, rinse thoroughly, and dry frame completely. Do not use bleach, acid, or other solvents on the frame parts.
- Wash glass with mild soap and water, rinse thoroughly, and dry glass completely.
- When moving the table, remove the umbrella. Do not drag.
- We recommend the use of furniture covers when not in use.
- Do not use the glass as chopping surface. Do not strike the glass with hard or pointed items.
- In order to prolong the life and beauty of your table, we recommend it be stored in a dry and protected area during off season periods.
