Safety and Care Advice

Important - Read these instructions fully before starting assembly

• This product is manufactured from toughened safety glass. In the unlikely event that the glass fails it will break in to a large number of small fragments that may be spread over a wide area. This is a feature of toughened glass ,designed to remove the risk of Injury from glass breaking into large shards.

• If the glass is chipped or broken , stop using the product and consult the manufacturer or supplier.

• Check you have all the components and tools listed on page 2.

• Remove all fittings from the plastic bags and separate them into their groups.

• Keep children and animals away from the work area, small parts could choke if swallowed.

• Make sure you have enough space to layout the parts before starting.

• Do not stand or put weight on the components during assembly, this could cause damage.

• Assemble on a soft level surface to avoid damaging the unit or your floor.

• Parts of the assembly will be easier with 2 people.

• Dispose of all packaging carefully and responsibly.

• Do not sit or stand on this table.

• Do not place very hot or very cold items on the glass.

• Warning: The unit weighs approximately 24.3 kgs.Please lift with care.

Care and maintenance

- Wash frame parts with mild soap and water, rinse thoroughly, and dry completely. Do not use bleach, acid, or other solvents on the frame parts.

- Wash glass with mild soap and water, rinse thoroughly, and dry completely.

- Do not use washing powders or any abrasive substances which may scratch the surface.

- When moving the table, remove the umbrella and lift. Do not drag this table.

- We recommend the use of furniture covers when not in use.

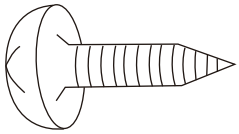

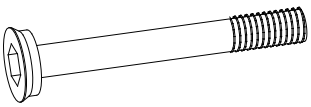

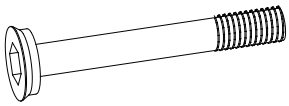

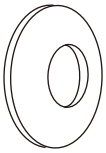

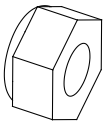

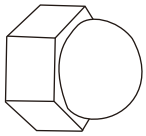

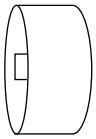

- Do not use the glass as chopping surface. Do not strike the glass with hard or pointed items.

- In order to prolong the life and beauty of your table, we recommend that it be stored in a dry and protected area when not in use.
