Safety and Care Advice

Important - Please read these instructions fully before starting assembly

- Check you have all the components and fittings listed on pages 3.
- Remove all fittings from the plastic bags and separate them into their groups.
- Keep children and animals away from the work area,small parts could choke if swallowed.
- Make sure you have enough space to layout the parts before starting.
- Do not stand or put weight on the product,this could cause damage.
- Assemble the item as close to its final position(in the same room) as possible.
- Assemble on a soft level surface to avoid damaging the unit or your floor.
- Parts of the assembly will be easier with 2 pepole.

• We do not recommend the use of power drill/drivers ***for inserting screws,*** as this could damage the unit. Only use hand screwdrivers.

• Dispose of all packaging carefully and responsibly.

Care and maintenance

• Only clean using a damp cloth and mild detergent, do no use bleach or abrasive cleaners.

• To avoid any risk of suffocation to animals or children dispose of the plastic bags immediately.

• From time to time check that there are no loose screws on this unit.

• This product should not be discarded with household waste. Take to your local authority waste disposal centre.

Safety during use

• Do not stand on this chair.do not use this chair as a step ladder.

• Use this product only for seating one person at a time.

• Do not use this chair unless all bolts, screws and knobs are firmly secured.

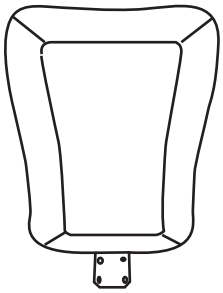

• Atleast every 4 months,check all bolts,screws and knobs,to be sure they are tight.

• If parts are missing,broken or damaged or worn,stop use of this product until repairs are made& using factory authorized parts.

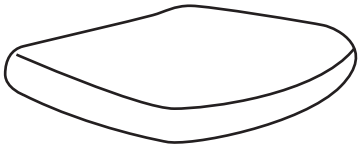

• Failure to follow these warnings could result in serious injury.
