NOTE: It would be useful to ask someone to help you with all the steps.

Step1. Use screws(M) to fix feet(L) onto armrests(B&D) .See Figure 1.

NOTE: pls make sure to align the holes in wooden feet with the holes in the tube before fixing them .

FIGURE 1

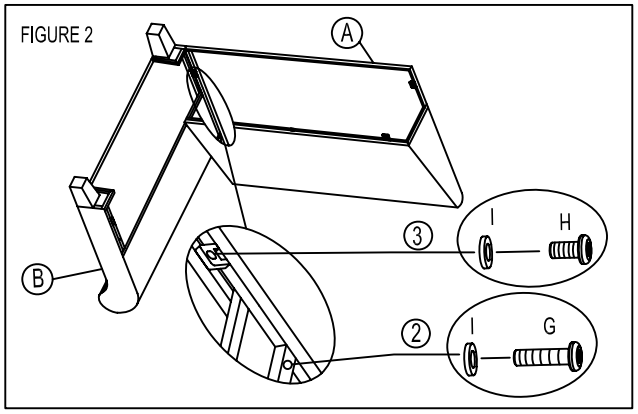

IMPORTANT

1. Read these instructions carefully and familiarise yourself with the procedure before assembling the unit
2. Check that you have all the component parts following the list on the back cover and familiarise yourself with each part before proceeding.
3. Take all the fittings out of the plastic bag and separate them into their groups.
4. Ensure you have enough space to lay out all the parts before assembly.
5. To avoid scratching it is recommended that you assemble the unit on a soft level surface.

Step2. Use washers (I) & bolts (G&H) to fix backrest (A) onto armrest (B) , keep the bolts loose. See Figure 2.

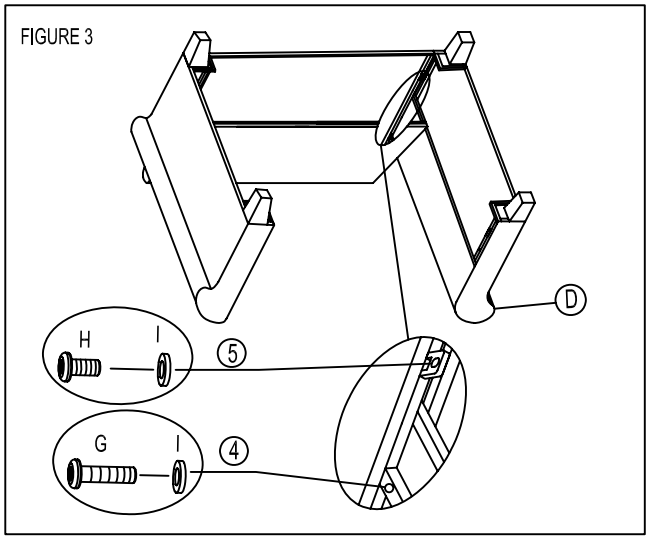

NOTE: pls make sure to align the holes in backrest with the holes in the armrest before fixing them , it would be better to fix ② firstly .

FIGURE 2

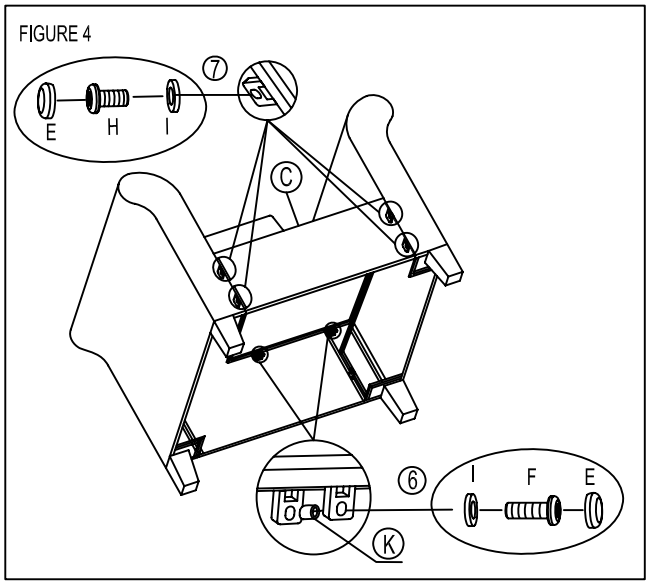

Step3. Use washers (I) & blots (H&G) to fix armrest (D) onto backrest (A) , it would be better to fix ④ firstly , keep the bolts loose . See Figure 3.

FIGURE 3

Step4. Use plastic connectors (K) & washers(I) & bolts(F&H) to fix seatboard(C) onto backrest(A) & armrest(B&D) . See Figure 4.

FIGURE 4

Step5. Tighten all the bolts and cover the bolts with caps(E).

Care and Maintenance

Safety

To avoid any risk of suffocation to animals or children dispose of the plastic bags immediately.

Cleaning

As with all surfaces clean with a damp cloth and mild detergent,do not use bleach or abrasive products.

Fitting

From time to time please ensure there are no loose screws on the product.
