Issue 1 - 5/11/16

Safety and Care Advice

Important – Please read these instructions fully before starting assembly

• Check you have all the components and tools listed on pages 2 and 3.

• Remove all fittings from the plastic bags and separate them into their groups.

• Keep children and animals away from the work area, small parts could choke if swallowed.

• Make sure you have enough space to layout the parts before starting.

• Assemble the item as close to its final position (in the same room) as possible.

• Assemble on a soft level surface to avoid damaging the unit or your floor.

• Assembly requires 2 people.

• Do not fully tighten bolts until the whole bed is assembled. Do not overtighten the nuts to avoid causing damage to the threads.

• To reduce the likelihood of damaging your product please ensure that your power drill is set on a low torque setting.

• Dispose of all packaging carefully and responsibly.

Care and maintenance

• Only clean using a damp cloth and mild detergent, do no use bleach or abrasive cleaners.

• From time to time check that there are no loose bolts or screws on this unit.

• This product should not be discarded with household waste. Take to your local authority waste disposal centre.

Handy Hints

• Assemble all parts and bolts loosely during assembly,only once the product is complete should you fully tighten the bolts.

• Regularly check and ensure that all bolts and fittings are tightend properly.

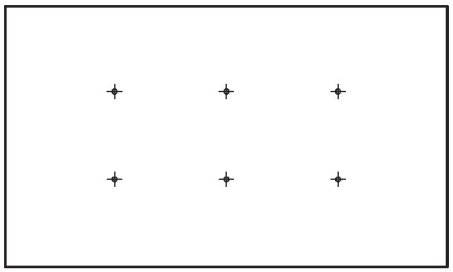

Note: if required the next page can be cut out and used as reference throughout the assembly. Keep this page with these instructions for future reference.
