ATLAS 3FT FRAME

Assembly Instructions

Before you start,here is some helpful advice

1. We suggest you spend a short time reading through this leaflet and then follow the simple step by step instructions.
2. If you follow the instructions carefully the end result should be worth the effort.
3. Do not discard any of the packaging until you have checked that you have all the parts and the pack of fittings.
4. Assemble this product on a flat floor.
5. To ensure an easier assembly, We strongly advise that all fittings are only finger tightened during initial assembly. Only upon completion of the assembly should all fixing points be fully tightened.
6. We recommend a periodic check on all fixing points to make sure they remain fully tightened.
7. Keep glue and fittings out of children's reach.

Safety and Care Advice

Important – Please read these instructions fully before starting assembly

• Check you have all the components and tools listed on pages 2 and 3.

• Remove all fittings from the plastic bags and separate them into their groups.

• Keep children and animals away from the work area, small parts could choke if swallowed.

• Make sure you have enough space to layout the parts before starting.

• As you unpack and prepare for assembly, clear an area for assembly. The parts should be placed on a carpeted or padded area to protect them from damage.

• Parts of the assembly will be easier with 2 or 3 people.

• Do not discard any of the packaging until you have checked that you have all the parts and pack of fittings.

• We do not recommend the use of power drill/drivers ***for inserting screws***, as this could damage the unit. Only use hand screwdrivers.

• To ensure an easier assembly, we strongly advise that all fittings are only finger tightened druing initial assembly. Only upon completion of the assembly should all fixing points be fully tightened.

Care and maintenance

• Only clean using a damp cloth and mild detergent, do not use bleach or abrasive cleaners.

• From time to time check that there are no loose screws on this unit.

• This product should not be discarded with household waste. Take to your local authority waste disposal centre.
