Safety and Care Advice

Important – Please read these instructions fully before starting assembly

• Check you have all the components and tools listed on pages 2.

• Remove all fittings from the plastic bags and separate them into their groups.

• Keep children and animals away from the work area, small parts could choke if swallowed.

• Make sure you have enough space to layout the parts before starting.

• Do not stand or put weight on the product during assembly, this could cause damage.

• Assemble the item as close to its final position (in the same room) as possible.

• Assemble on a soft level surface to avoid damaging the table or your floor.

• Parts of the assembly will be easier with 2 people.

• We do not recommend the use of power drill/drivers for inserting screws , as this could damage the unit. Only use hand screwdrivers.

• Dispose of all packaging carefully and responsibly.

• Weight:15kg
Please lift with care.

Care and maintenance

• This product has been designed for careful domestic outdoor use.

• Only clean using a damp cloth and mild detergent, do no use bleach or abrasive cleaners.

• Make sure each screw matches the corresponding figure to ensure correct assembly.

• From time to time check that there are no loose screws on this table.

• Do not fully tighten all screws until assembly is complete.

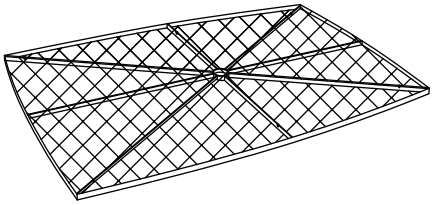

• This product should not be discarded with household waste. Take to your local authority waste disposal centre.

• When using a parasol with this table,always use a parasol base.

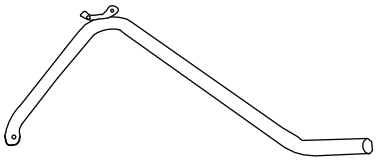

• When moving the table remove the parasol and lift the table.Do not drag. We recommend the use of furniture covers when not in use. We recommend that the table is stored in a dry and secure area, during off season periods.
