Safety and Care Advice

Important - Please read these instructions fully before starting assembly

• This product is manufactured from toughened safety glass. In the unlikely event that the glass fails it will break in to a large number of small fragments that may be spread over a wide area. This is a feature of toughened glass ,designed to remove the risk of Injure from glass breaking into large shards.

• If the glass is chipped or broken ,stop using the product and consult the manufacturer or supplier.

• Check you have all the components and tools listed on page 2.

• Remove all fittings from the plastic bags and separate them into their groups.

• Keep children and animals away from the work area, small parts could choke if swallowed.

• Make sure you have enough space to layout the parts before starting.

• Do not stand or put weight on the components during assembly, this could cause damage.

• Assemble on a soft level surface to avoid damaging the unit or your floor.

• Parts of the assembly will be easier with 2 people.

• Dispose of all packaging carefully and responsibly.

• Do not sit or stand on this table.

• A weighted umbrella base must be used when using an umbrella with this table.

• Do not place very hot or very cold items on the glass.

• Warning: The unit weighs approximately 44.21kgs. Please lift with care.

Care and maintenance

• Wash frame parts with mild soap and water, rinse thoroughly, and dry completely. Do not use bleach, acid, or other solvents on the frame parts.

• Wash glass with mild soap and water, rinse thoroughly, and dry completely.

• Do not use washing powders or any abrasive substances which may scratch the surface.

• Inspect and tighten all bolts and fasteners on a regular basis to ensure the proper performance and safety of your table.

• When moving the table, remove the umbrella and lift. Do not drag this table.

• We recommend the use of furniture covers when not in use.

• In order to prolong the life and beauty of your table, we recommend that it be stored in a dry and protected area when not in use.

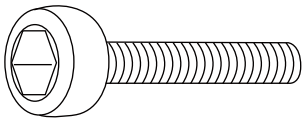

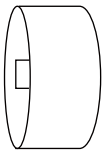

• Tempered glass has been used for increased strength and safety of your table. However, during windy conditions the umbrella should be lowered and /or removed.

• Do not use the glass as chopping surface. Do not strike the glass with hard or pointed items.
