Top Tips before you start!

1 .Please check that all parts are present before you start the assembly of your furniture, as once assembled the furniture is exempt from our home approval.

2. For ease and speed of assembly, we recommend that before you commence each step of the assembly, that you identify all the parts required.

3. For larger items, please ensure that you have sufficient space and people (as indicated on page 1) to assemble our product safely.

4. We recommend that, where possible, all items are assembled near to the area in which they will be placed in use, to avoid unnecessary moving of the product.

5. For the protection of your furniture, we recommend that the product is placed on a protected surface during assembly to prevent any damage.

6. During assembly please take care not to over-tighten any fittings, as this may damage the product .

General for Table

-Please periodically check all fittings and re-tighten as necessary.

-Please do not sit or stand on this item.

-Please do not drag and pull your furniture.

-To clean your items, please use a soft cloth moistened in luke warm soapy and water. Then buff with a dry clean cloth.
